CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Chas. H. Hitcher* is on every wrapper.

Children Cry for Pitcher's Castoria.

March 27, 1894. 1v

DENTAL NOTICE.

Dr. A. W. Alexander will locate his office at Lincolnton, June, August, October, December, February and April. Will be in Mt. Holly, July, September, November, January, March and May.

Patronage solicited. Terms cash and moderate.

John G. Manger, Editor of the Standard, Selma, Ala., who named Grover Cleveland for the Presidency in Nov., 1882, while he was Mayor of Buffalo, N. Y., is enthusiastic in his praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says: "I have used it for the past five years and consider it the best preparation of the kind in market. It is as staple as sugar and coffee in this section. It is an article of merit and should be used in every household. For sale by Dr. W. L. Crouse Druggist."

For a pain in the side or chest there is nothing so good as a piece of Chamberlain's Pain Balm and bond over the seat of pain. It affords prompt and permanent relief and if used in time will often prevent a cold from resulting in pneumonia. This same treatment is a sure cure for lame back. For sale by Dr. W. L. Crouse Druggist.

For Rheumatism I have found nothing equal to Chamberlain's Pain Balm. It relieves the pain as soon as applied. J. W. Young, West Liberty, W. Va. The prompt relief it affords is alone worth many times the cost. Its continued use will effect a permanent cure. For sale by Dr. W. L. Crouse

THE DISCOVERY SAVED HIS LIFE.
Mr. G. Calhoun, Druggist, Baverly Hills, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with typhoid fever and tried all the physical remedies about, but of no avail and was given up as a lost case. I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep a store without it." Get a free trial at J. M. Lawing's Drug Store.

CURE FOR HEADACHE.
As a remedy for all forms of Headache, Electric Bitters has proved to be the most effective permanent cure and the most reliable habitual sick headache remedy. Its influence will cure a man who is afflicted to procure a bottle, and give him a remedy a fair trial. In cases of habitual headache Electric Bitters cures by giving the needed time to the bowels, and few can resist the use of this medicine. Try it once. Large bottles only 50 cents at J. M. Lawing's Drug Store.

"Trust" Which is Popular
There is a great deal of indignation felt against trusts. The Sugar Trust, the Standard Oil Trust, the English Salt Trust, and other combinations of the kind, are vigorously denounced, and it is a subject of controversy whether there are more trusts in England than in America. In the latter opinion of our American fosters them. But there is one form of trust against which noon has anything to say. That is the trust for public repose. It is the trust of the public.
