It was our pleasure on the 14 th of this month to attend the closing exercises of Fallston Institute an educational institution located at the the beautiful little village of Fallston in Cleveland county. Prof. S. C. Thompson of Alamance county is the Principal of this school and ably assisted by Prof J. S. Johnson of Johnson county. We want to speak of the school and the town, in full, in our next issue. Our time and space is limited this week, but we must say before closing that the annual address by Rev. W. P. McCorkle of Shelby was all that could have been asked.

## The Best Medicine.

J. O. WILSON, Contractor and Builder, Sulphur Springs, Texas, thus speaks of Ayer's Pills:

"Ayer's Pills are the best medicine I ever tried; and, in my judgment, no better general remedy could be devised. I have used them in my family and recommended them to my friends and employes for more than twenty years. To my certain knowledge, many cases of the following complaints have been completely and

#### Permanently Cured

by the use of Ayer's Pills alone: Third day chills, dumb ague, bilions fever, sick headache, rheumatism, flux, dyspepsia, constipation, and hard colds. I know that a moderate use of Ayer's Pills, continued for a few days or weeks, as the nature of the complaint required, would be found an absolute cure for the disorders I have named above."

"I have been selling medicine for eight years, and I can safely say that Ayer's Pills give better satisfaction than any other Pill I ever sold."-J. J. Perry, Spottsylvania C. H., Va.
