Any agent of the Norfolk Southern Railroad will furnish copies to any one contemplating a trip.

It has been our pleasure to receive a few of the products of The J. R. Watkins Company of Baltimore, Maryland. These are something quite unusual in their way, and we shall be pleased to show them to anyone interested. Anyone is welcome to come in and examine them thoroughly. When one sees the class of goods. The J. R. Watkins Company turns out the prices at which they are sold it is no longer a matter of wonder that it requires a plant with ten acres of floor space, and a \$2,000,000 capital to keep up with the enormous demand for these fine products all over the United States and Canada. This Company is rapidly increasing its business and is taking on more and more salesmen all the time.

Character must stand behind and back up every--the sermon, the poem, the picture, the play. None of them is worth a straw without it.--Holland.

Lame Shoulder is nearly always due to rheumatism of the muscles, and quickly yields to the free application of Chamberlain's Liniment. For sale by All Dealers.

They are slaves who fear to speak For the fallen and the weak.
Teach him how to live,
And, oh still harder lesson! how to live --Porteus.

The Dangerous Fly.

A fly in a house is as dangerous as a rattlesnake, as filthy as a louse, as disgraceful as a bedbug. The cleanly home, will feel itself ashamed and disgraced by the presence of a fly, and when every housekeeper upon whose premises a brood of flies is detected will be fined heavily and sent to jail. The fly is a literal "eye of the Lord" because he is in every place, beholding evil and the good, especially evil, for he loves to lay eggs in it. You can't hide dirt from a fly. He is also the most intimate and domestic animal we breed and keep. An ounce of cleanliness is worth a ton of fly paper and wire screens. One-half the money wasted on fly traps and window screens one-fourth the energy squandered in slapping and profanity would clean up the back yard and wipe out the fly at chinson. - Ex.

In cases of rheumatism relief from pain makes sleep and possible. This may be obtained by applying Chamberlain's Liniment. For sale by All Dealers.

It Is Puzzling.

Peggy--"Was the policeman ever a little baby, mother?"
Mother--"Why, yes, dear."
Peggy (thoughtfully)--"I don't believe I've ever seen a baby policeman!"

When a medicine must be given to young children it should be pleasant to take. Chamberlain's Cough Remedy is made from loaf sugar, and the roots used in its preparation give it a flavor similar to maple syrup, making it pleasant to take. It has no superior for colds, croup and whooping cough. For sale by All Dealers.

IF WE ONLY BOUGHT ONE PIANO OR ORGAN

from a factory--they would have to make a good profit on THAT ONE, but we buy hundreds of ORGANS & PIANOS, the different factories know this' and they send men to work for our trade. Each explains his make, quotes us his LOWEST prices on LARGE lots 'not one' and when we DO BUY--we can sell you one organ as cheap as the factor usually sells one, and still get a fair profit. But the Prices is not all--"cheap" organs get out of fix--and then they become "dear"--the BEST organs sometimes have accidents--and when you buy from us--WE GO TO YOUR HOME and FIX THEM FREE. Organs brand new \$45, up--Pianos \$175.00 to \$950.

18 years in buggy and harness business, with ample capital to discount all bills--buying in car lots should enable dealers to get lowest prices.

While competitors were talking dull times and no money Saturday, my sales were more than \$500.00 dollars, (name and addresses of customers if wanted).

If I had \$65 and \$75 store rents to pay out, I would have to sell buggies and harness high like they are doing.

My plan is to do the largest business on least expense.

Unloaded another car Columbia "A" grade wheel buggies Saturday.

Saving my customers \$7.50 to \$10 on buggy, \$15 on Carriages.
