## IF WE ONLY BOUGHT ONE PIANO OR ORGAN

from a factory—they would have to make a good profit on THAT ONE, but we buy hundreds of ORGANS & PIANOS, the different factories know this and they send men to work for our trade. Each explains his make, quotes us his LOWEST prices on LARGE lots 'not one' and when we DO BUY—we can sell you one organ as cheap as the factory usually sells one, and still get a fair profit. But the Prices is not all—"cheap" organs get out of fix—and then they become "dear"—the BEST organs sometimes have accidents—and when you buy from us—WE GO TO YOUR HOME and FIX THEM FREE. Organs brand new \$45, up—Pianos \$175.00 to \$950.
