

Planters Warehouse

Of Mebane, N. C.

WILL OPEN FOR THE SALE OF TOBACCO FRIDAY SEP. 29TH

The undersigner wishes to say to the tobacco farmers of Alamance, Caswell, Orange, and Person Counties, that he comes to them with an experience of fifteen years in the warehouse business, five years of which he spent at the Star Warehouse at Reidsville, and the Banner Warehouse at Greensboro. He has given in the past, and will in the future his very best efforts in the interest of those who sell tobacco on his warehouse floor. Two good warehouses here and a plenty of buyers. Don't forget me.

E. W. Harris, Prop.
Mebane, N. C.

Democratic "Niggardliness."

The Hon. Joseph G. Cannon is not so clever outside of the Speaker's chair as he was in it, and he could have said nothing better calculated to convince the country of the sincerity of the Democratic pretensions to economy than his charge that the majority in the House has been guilty of "niggardliness." The Democratic House may gladly go before the country bearing "Uncle Joe's" imputation. When Congressman Fitzgerald announced that the Democrats had saved more than \$200,000 by abolishing sinecures and cutting gratuities heretofore granted Congressional employes, Mr. Cannon, plainly loosening the bridle of his tongue, gave it the stamp of genuineness and helped to send it abroad under a label that will convince the country of its unadulterated truth.—Va. Pilot.
