# The Bigness Craze

One of the features of the monster vessels which suggested itself at the time when the Titanic was supposed to be making its way in a crippled condition to port is, upon inquiry, verified. That was the doubt whether if she reached harbor either in Canada or the United States there was a drydock in North America in which she

could be repaired. . It is now authoritatively stated that there is not only no drydock on this side of the ocean, but that there is but one in the world where a vessel of that size could be docked. That is the port where she was built. Moreover, the entire group of the latest giants would Dead Letter Office June 15 1912, if and W. H. Turrentine and the Supt. if they should reach port on this side so seriously damaged as to prevent 'Advertised" giving date of ad. list. their crossing the ocean be yaluless unless a drydock were built for their express accommodation.

# RATTLESNAKE'S BITE BOYS

# Nest, Buries Deadly Fangs in Hands of Children.

There was a distressing occurence ccunty Friday in which three children of George Adams lost their fives His while the children, the eldest 8 and the youngest 1 year-old, played nearby, Noises were heard from a nest occupied by a setting hen, when Mrs. Adams told the eldest boy to go throw Mrs. Charles Taylor and children the fowl off the nest. The boy went withdrew it, crying that she had pecked him. The second boy volunteered to throw off the hen, but soon screamed, that he had been pecked also. The mother rushed to the nest and found a rattlesnake in it and to her horror, saw that the spake had bitten both

In her anxiety to do something for the older boys, the 1-year-old child was forgotten for the time being, and when she returned for it, found that it had climbed over in the tub of water and was drowned. The two boys that had been bitten by the rat-Mr. George Mebane of Mebane was tlesnake died the same day, and all three children were buried together in the same grave.

### A Tough Bird.

Kerrigan went on a trip to South America, aud while there bought a present for O'Brien in the shape of a pretty Spanish parriot, which was shipped to O'Brien. When he got back home he said to O'Brien:

"Dinny, did ye get the foine parrot Oi sent ye?"

"Oi di that, Kerrigan, and Oi wants to tell ye that Oi never put me teeth into a tougher bird in me life!"
