The Brutal Father

From the Cleveland Plain Dealer.
"But why are you determined to get a divorce from your husband?"
"Because he is an absolute brute."
"You amaze me. You used to say that he was as gentle as a child."
"Yes, that's what I used to say. But you ought to see him now! Listen! Since the baby began teething nothing would quiet the little darling but being allowed to pull his papa's whiskers. And when he found that out what do you think he did? He went down and had his beard shaved off—that's what? Do you think I would live with a man who had that sort of a disposition?"

Drives Off A Terror.

The chief executioner of death in the winter and spring months is pneumonia. Its advance agents are colds and grip. In any attack by one of these maladies no time should be lost in taking the best medicine obtainable to drive it off. Countless thousands have found this to be Dr. King's New Discovery. "My husband believes it has kept him from having pneumonia three or four times," writes Mrs. George W. Place, Rawsonville, Vt., "and for coughs, colds and croup we have never found its equal." Guaranteed for all bronchial affections. Price 50 cts. and \$1.00. Trial bottles free at Mebane Drug Co.

It must make the fashion designers mad to be informed that hobble skirts were the fashion in Crete some five thousand years ago.
Dante had some experience about Crete before he wrote the Inferno.

Famous Stage Beauties

Look with horror on Skin Eruptions, Blotches, Sores or Pimples. They don't have them, nor will any one, who uses Bucklen's Arnica Salve. It glorifies the face. Eczema or Salt Rheum vanish before it. It cures sore lips, chapped hands, chilblains; heals burns, cuts and bruises. Unequaled for piles. Only 25c at Mebane Drug Co.

Let every dawn of morning be to you as the beginning of life, and every setting sun be to you as its close; then let every one of these short lives leave its sure record of some kindly thing done for others, some goodly strength or knowledge gained for yourself.—Ruskin.
