Plenty to Look After

There is no use in becoming alarmed about cholera in foreign countries. It hasn't killed a North Carolinian within the memory of man. But we have plenty of other filthy diseases of which we should be afraid. Witness over fifteen hundred deaths from typhoid fever in this state last year.—Concord Tribune.

California Woman Seriously Alarmed.

"A short time ago I contracted a severe cold which settled on my lungs and caused me a great deal of annoyance. I would have had coughing spells and my lungs were so sore and inflamed I began to be seriously alarmed. A friend recommended Chamberlain's Cough Remedy, saying she had used it for years. I bought a bottle and it relieved my cough the first night, and in a week I was rid of the cold and soreness of my lungs," writes Miss Marie Gerber, Sawtelle, Cal. for sale by all Dealers.

Foils A Foul Plot.

When a shameful plot exists between liver and bowels to cause distress by refusing to act, take Dr. King's New Life Pills, and end such abuse of your system. They gently compel right action of stomach, liver and bowels, and restore your health and all good feelings. 25c at Mebane Drug Co.

Government is a trust, and the officers of the government are trustees; and both the trust and the trustees are created for the benefit of the people.—Henry Clay.

Sensible presents are good things for sensible people to give both men and women love to get things to wear. We especially invite the ladies of this city to come and see what beautiful present neckties, present suspenders, present hosiery, and present everything they can buy for their men friends at our store. And then, in what way can you make your children and your women friends happier than by giving them something to wear. You wish to see these things before you buy them, so come and look at them and then get our prices.

How to Bankrupt the Doctors.

A prominent New York physician says, "If it were not for the thin stockings and thin soled shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effectual and is pleasant and safe to take. For sale by all Dealers.

Could Shout For Joy.

"I want to thank you from the bottom of my heart," wrote C. B. Rader, of Lewisburg, W. Va., "for the wonderful double benefit I got from Electric Bitters, in curing me of both a severe case of stomach trouble and of rheumatism, from which I had been an almost helpless sufferer for ten years. It suited my case as though made just for me." For dyspepsia, indigestion, jaundice, and to rid the system of kidney poisons that cause rheumatism, Electric Bitters have no equal. Try them. Every bottle is guaranteed to satisfy. Only 50 cents at Mebane Drug Co.

Pessimism.

A pessimist is one who receives a pair of gloves as a present and worries because they will soon wear out.

Fit His Case Exactly

"When father was sick about six years ago he read an advertisement of Chamberlain's Tablets in the papers that fit his case exactly," writes Miss Margaret Campbell of Ft. Smith, Ark. "He purchased a box of them and he has not been sick since. My sister had stomach trouble and was also benefited by them. For sale by all Dealers.

Style

Is a word synonymous with good dress. We exemplify its meaning in the most classic way. The most correct, and the highest quality in over coats, hats, and a general line of haberdashery. Those who can appreciate a nice fitting high class garment, and what it takes to give that elegant appearance to a well dressed gentlemen, are urgently invited to visit our store.
