A socialist speaker figures that Adam ficer in favor of peace with America could never have been a millionaire in preference to union with Huerta and even if he has lived and worked until by sheer force of personality he won today. That would depend, we should the others over, nominally at least. say, upon how successful he was in working others.

#### **Civic League Meeting**

The Civic Association will hold their regular meeting on Friday July 10th at Graded School 3:30 p. m. Since there is nothing on hand to prevent a full attendance the president will expect a good meeting.

#### **Birds Work Long Hours** Each Day.

Our hours, said a nature student, are nothing to the birds. Why, some birds work in the summer 19 hours a day. Indefatigably they clear the crops of insects.

The thrush gets up at half past 2 every summer morning. He rolls up his sleeves and falls to work at once, and he never stops until 9:30 at nighthave back pedaled and appropriated 19 hours. During that time he nine thousand dollars to buy an auto- feeds his varacious young 206 times. The blackbird starts work at the same hour as a thrush, but he lays off earlier. His whistle blows at 7:30, and next thing the country will hear of during his seven-hour day he sets will be a bill to provide an automobile about 100 meals before his offspring. The titmouse is up and about at 3 in the morning, and his stopping time is 9 at night. A fast worker, the titmouse is said to feed his young 417 throws economy to the winds.-Charmeals-of caterpillar, mainly, in the long, hot day.-Onward.
