HALF AN HOUR STOP AT

Entire Population Out to Receive Him--Large Crowds at all Stopping Places Along the Entire Route.

ASHEVILLE, N. C., Oct. 21.—The Presidential party reached here at quarter past 10 o'clock this morning. They were met by the entire population and escorted through the city in carriages. They remained half an hour.

TECUMSEH, ALA., Oct. 21 .- At Calera, a junction point in Alabama where the train stopped to change engines, three or four thousand persons were assembled, and among them 500 workmen from Birmingham, who had come on a special train with cars gaily decorated. Here three cheers were given for Mrs. Cleveland and the President. Mrs. Cleveland re-ROYAL BAKING POWDER Co., 106 marked sotto voce, "they have got the wrong end first," but the President thought the people knew what they were about.

C., Oct. 21.-This morning's run of the President's special train between sunrise and late breakfast took in the ascent of the great smoky spur of the Alleghanies, the line lying for fifty miles or more beside the French Broad river. Not all the tourists were up, and these missed the panorama whose varied charms r. 1887. (the same being the first Mon- are no where surpassed. At Hot Springs Senators Ransom and R. M. at Asheville, N. C., was scheduled for only fifteen minutes, but it lasted an hour. The municipal authorities and host of citizens welcomed the President at the station and escorted him and his companions to carriages and took them through the town. The way for half a mile was up a steep hill, and it struck the guests as an oddity that their conductors in calling attention to the natural beauty of the situation should refer to the locality as a valley. Therefore, North Carolina was better understood when the summit was reached, from which on all sides could be seen from ten to fifteen miles distant the tops of the Blue Ridge, the Balsam range, the Smokies and Black Mountains, hemming in the fertile region whose knobs of Beef in Asheville is worth from 500 to 800 feet were dwarfed to pigmies in comparison. A feature of the reception was the line formed by a thousand mounted mountaineers and country people clad in their every day habits, but with bridles bebecked with little flags and equipage trimmed with evergreens.

From Asheville eastward the railway kept close company with the Swannanoa. The mountain scenery was no less grand than

that of the earlier morning. A few minutes after noon the train shot through the tunnel under the uppermost crest of the Alleghanies and began its descent of the Atlantic slope.

Gang of Robbers who show Fight.

CHARLESTON, W. VA., Oct. 19 -Fully three hundred citizens started out yesterday morning after the robbers who murdered Mr. Ryan, near Walton, Roan county. last Thursday night. After the house was robbed and the old man was shot the robbers, thirteen in number, compelled the family to send him up stairs and to get break fast for them. The officers and citizens ran into the robbers last night at George Duff's residence, eight miles from Sessonville, this county, and were warned to keep off by the robbers, who had taken refuge in a house fitted with portholes and had made other arrangements for protection. The murderers fired upon the pursuers and Geo. Duff, Jr., was killed. After a very severe and determined fight, on both sides, Jack Coon was captured and lynched. Five of the officers and citizens were wounded. There are about twenty robbers in the gang, who have been carrying on at a high rate. Frank Schambling are prisoners, and await disposal by the vigilance committee. Coon is the man who killed Rev. Thomas P. Ryan, and shot five of the vigilance committee.
