ed. The little fellow was coming across the bridge from his father's mill upon his wheel. The steamboat had blown for the draw to open and the bridge keeper was running it off. On came Jamie, He did not see the danger and rode deliberately into the opening and to a watery grave His farther was watery grave His farther was some distance behind him, and too far to save him. Steps were at once taken to recover the body, which was done is about an hour afterwards .- Washington, N. C., Mes-
