The North Carolina Division of the Travelers Protective Association of America, will assemble in our City tomorrow in annual Convention, and through the courtesy of Mr. Burrell H. Marsh State Chairman of the Press Committee we are presenting the history of the Association from its organization.

The Travelers Protective Association of America was organized June 3rd, 1890 with a handful of members, but by that predominant spirit which the Commercial Traveler is blessed with, the order has grown each year until today it is recognized as a factor in the Commercial world.

Purposes and Objects

The main purposes and objects of this Association shall be to bring about better acquaintance and more fraternal and binding feeling between persons engaged in the business of commercial travelers, and the buying and selling of merchandise at wholesale, and to that end to secure from all transportation companies and hotels just and equitable rates for commercial travelers as a class; and to further elevate the social and moral character of the members of the Association, and to establish hospitals if necessary, for the sick and disabled, the object and purpose of said Association being to create and establish a fraternal beneficial association and not an organization for pecuniary reward or profit.

To secure the abolishment of all local, state and county licenses exacted from commercial travelers.

To obtain fair and equitable allowance of baggage and baggage rates.

To effect all legislation beneficial to our membership and the commercial interests generally.

To provide a benefit fund for members of the Association in case of accident or death by accident.

What The T. P. A. Is.

The only National Commercial Association which is thoroughly organized and equipped for the prompt and active promotion of commercial interests, and to belong to which is a duty on the part of all commercial travelers and their employers. It gives reliable accident insurance to its members cheaper than the same can be obtained from accident insurance companies, and works throughout all its divisions and posts constantly for the welfare of its membership as well as for commercial travelers generally, and it has by its work saved merchants, manufacturers and commercial travelers millions of dollars through legislation, and concessions obtained through week-end tickets, interchangeable mileage, and other forms of railroad transportation.

Not an "Insurance Company" but a Commercial Men's Organization banded together for Mutual Protection.

It is Fraternal, Benevolent and Mutual. Belongs to its members.

Visitor's Week at Graded School.

It has been decided that the week beginning May 20th shall be visitors week. We want every patron of the school to come to see us at work one day in that week. Of course we like to have the patrons visit the school at any time. We try to keep our house ready at all times to receive visitors. Since the school opened last September we have had probably a score of the patrons to drop in to see us.

The pupils of all the rooms are making some preparation for company next week. On each pupil's desk will be found a booklet containing specimens of the pupil's work—probably his best work. Now, we want all the fathers and mothers to see these specimens, those of their own children and those of their neighbors' children. Besides this each room from the first grade to the fifth will give a short entertainment which we hope will please all who come.

The exercises of each room will last not longer than half an hour. These special exercises will be on Tuesday and Wednesday, May 21st and 22nd.

Tuesday morning, May 21st Miss Winfield's morning session will entertain from 9:45 to 10:15; Miss Bryan's morning section from 10:45 to 11:15; Miss Yokley's morning section, from 11:15 to 11:45. In the afternoon Miss Winfield's afternoon section will entertain from 1:45 to 2:15; Miss Bryan's afternoon section from 2:45 to 3:15; Miss Yokley's afternoon section from 3:15 to 3:45.

Wednesday morning May 22nd, Miss Spangh's room will entertain from 10 to 10:30; Miss Graves' room from 10:45 to 11:15; Miss Fulton's room from 11:15 to 11:45. In the afternoon Mrs. Hines' room will entertain from 2 to 2:30; Miss Marshall's room from 2:45 to 3:15; Miss Merritt's room, from 3:15 to 3:45.

What Texans Admire

is hearty, vigorous life, according to Hugh Tallman, of San Antonio. "We find," he writes, "the Dr. King's New Life Pills surely put new life and energy into a person. Wife and I believe they are the best made." Excellent for stomach, liver or kidney troubles. 25 cts at E. H. Hennis Drug Co.

New Sheriff For Carroll County.

Wytheville, Va., May 9.—Judge Staples today appointed Ellis D. Worrell sheriff of Carroll County, to serve out the term of four year which Mr. Webb, the newly elected sheriff killed in the Hillsville massacre, had just begun. The appointment was made at the request of Judge A. A. Campbell, who will be the judge of the circuit court and who Judge Staples thinks should choose the officers to serve in his courts.

Mr. Worrell will succeed Mr. Edwards, who was named by Judge Staples temporarily as chief deputy and to act as sheriff until the new judge should be appointed. This was done in the hasty reorganization of the court the day after it had been wiped out and Mr. Edwards understood that the arrangement was temporary.

Mr. Worrell is a native and life long resident of Carroll county, 45 years old. He served as deputy sheriff from 1891 to 1895, and also as deputy under Sheriff Blankenship. His official and personal records are good. He lives at Sylvanus and is a Republican. It was decided by both Judge Staples and Judge Campbell that as the people had elected a republican sheriff who died doing his duty it would be improper to appoint any successor who was not a republican.

A MERCILESS JUDGE

One Who Shows No Favor.

A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Mt. Airy resident has withstood the sternest of all tests.

Mrs. Mollie Starling, 295 N. Main Street, Mt. Airy, N. C. "I have used Doan's Kidney Pills with splendid results and it is a pleasure to recommend them. For several months I had a bad pain in the small of my back. If I stooped I could hardly straighten and mornings I usually felt sore and lame. Doan's Kidney Pills were just what I needed, and by the time I had used two boxes, my trouble was entirely cured." (Statement given Jan. 24, 1911.)

A Later Endorsement.

One of our representatives interviewed Mrs. Starling on Mar. 12, 1912, and she said: I like Doan's Kidney Pills very much. I am pleased to confirm the statement I made some time ago.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
