A letter from Lieutenant Jay Franklin to his father Mr. S. C. Franklin tells of conditions at Camp Sevier, Greenville, S. C. The letter tells of the great effort to organize the forces and start the training of the new army. Mr. Franklin is well pleased with the conditions and says that operations on a large scale are in evidence everywhere.

#### Experience the Best Teacher.

It is generally admitted that experience is the best teacher, but should we not make use of the experience of others as well as our own? The experience of a thousand persons is more to be depended upon than that of one individual. Many thousands of persons have used Chamberlain's Cough Remedy for coughs and colds with the best results, which shows it to be a thoroughly reliable preparation for these diseases. Try it. It is prompt and effectual and pleasant to take.

### Highest Prices and Best Accommodations

Now is the time to sell your primings. Not in the history of our business have we been able to sell primings as high as we are selling them now. For the past five years primings have sold better before the stalk cured tobacco began to sell than it did after, so we advise our customers and those who are not our customers to sell your first primings early as possible.

Have your tobacco in good keeping condition and come to see us and we will see that every pile of your tobacco brings the top of the market.

Our motto is: "Highest Prices and best Accommodations."

Your friends,

### Helps Sick Women

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, ... and the pains were very severe. A friend told me I had tried everything else, why not Cardui? ... I did, and soon saw it was helping me ... After 12 bottles, I am strong and well."
