TAKE

CARDUI

The Woman's Tonic

You can rely on Cardui. Surely it will do for you what it has done for so many thousands of other women! It should help. "I was taken sick, seemed to be . . ." writes Mrs. Mary E. Veete, of Madison Heights, Va. "I got down so weak, could hardly walk . . . just staggered around. . . . I read of Cardui, and after taking one bottle, or before taking quite all, I felt much better. I took 3 or 4 bottles at that time, and was able to do my work. I take it in the spring when run-down. I had no appetite, and I commenced eating. It is the best tonic I ever saw." Try Cardui.

Liberty Loan Will

Mature in Decade.

Washington, D. C.—President Wilson signed the third Liberty Loan bill late on Thursday. The bonds will mature in 10 years on Sept. 15, 1928, and will bear interest from May 9, next payable semi-annually on Sept. 15 and March 15.

The third Liberty Loan campaign will last for four weeks, beginning April 6 and ending May 4, the Treasury Department has announced. Banks will be given five days after the campaign's close to tabulate and report subscriptions. Instead of 2 per cent cash payment with the subscription, as in the second loan, 5 per cent will be asked for the third loan. Twenty per cent then will be due May 28, 35 per cent July 18 and 40 per cent August 15.

The Treasury expects many subscribers to pay in full on purchase, and these early payments may be sufficient to redeem the \$900,000,000 certificates of indebtedness falling due before May 9. Otherwise, it may be necessary to refund the certificates with other short time lots. Officials also believe the May 28 payment actually will be much greater than the 20 per cent required.

The payment dates have been arranged so none shall come in June, when the drain of the country's financial resources will be great on account of income and excess profits taxes due June 15.

Within an hour after President Wilson signed the Bond Bill the first complete bond of the third Liberty Loan came from the bureau of engraving and printing. It was a \$50 "baby bond" and was carefully laid aside by James L. Wilmeth, director of the bureau, for special disposition to be determined later. Forty thousand more bonds will be ready today, 100,000 by Saturday and thereafter they will be turned out at the rate of 500,000 a day to supply demands for cash sales and immediate delivery.

Final disposition of the Bond Bill was hastened in the House by agreement to minor Senate amendments. Wide difference of opinion between members prevented inclusion of a provision exempting national and state banks' holding Liberty bonds from consideration in determining state and local taxation of banks. Chairman Kitchin of the House Ways and Means Committee intimated the subject would be placed before Congress again in a separate bill.

The bill gives the Secretary of the Treasury authority to issue \$4,500,000,000 bonds in addition to the \$3,666,000,000 already authorized under former legislation; raises the interest rate from 4 to 4 1/4 and extends to

Why Constipation Injuries.

The bowels are the natural sewerage system of the body. When they become obstructed by constipation a part of the poisonous matter which they should carry off is absorbed into the system, making you feel dull and stupid, and interfering with the digestion and assimilation of food. This condition is quickly relieved by Chamberlain's Tablets. Obtainable everywhere.
