Musical Entertainment.

Miss Julia Prichard gave a musical entertainment in the rooms of the Commercial Club last Monday evening in which she gave Miss Nell Folger, one of her pupils the leading part. Miss Prichard is a teacher of recognized ability and is doing a work here that is highly pleasing to those who know what can be accomplished by a high class music teacher. From time to time in the future Miss Prichard will give other entertainments for the benefit of the music loving public, as well as for the practice it will give some of her advanced students.

Some Chicken Business.

Mr. Ora Roberts, a popular salesman in this city, does quite a little business on the side, in the way of keeping a few fine chickens. He this year had 25 Plymouth Rock hens and has sold all his eggs at \$1.00 for 15. He has since the first of the year sold from his 25 hens more than 2000 eggs, and practically all of them were bought by people who live here at Mount Airy. In addition to this he has raised a large number of young chicks. Mr. Roberts is a fancier and knows the business and knows how to get results even in a small way. A little figuring will show that he has made money this year by keeping a few hens, for he has spent only about \$2.00 each week for feed.

Open Air Revival.

A rather novel plan for summer evangelistic meetings has been adopted at Salem where Rev. Tom P. Jimison is holding a revival. The meetings have outgrown the church and the big grove has been seated comfortably and lighted with gasoline torches and the evening services are being held in the open air. That it is a most satisfactory arrangement is demonstrated by the large crowds who are attending. Many are motoring out from town every night and it is reported that much good is being accomplished. The meetings have been in progress for more than ten days, and Mr. Jimison states that they will go on for an indefinite period. Many professions of faith have already been reported and the revival is growing in interest at every service.

Making A Country Home.

The Sanitary Plumbing Co., of this city has recently installed a complete Pneumatic water and light system in the home of Mr. J. Q. Adams of State Road. Mr. Everitt and a force of men have been at the home of Mr. Adams for two weeks putting in the plant. The system consists of a gasoline engine, electric motor, pump and outfit for a modern water and light system. The whole costing Mr. Adams about \$1,000.00. Mr. Adams is a well-to-do country merchant and farmer and has a beautiful home in which this modern improvement is made. Mr. Webb of the Sanitary Plumbing Co., tells us that he is expecting many other well-to-do citizens of the county to equip their homes with this same kind of water and light system.

Surry Man Gets High Degree.

Mr. Critz George, son of Editor T. M. George, of this city, was awarded the degree of Doctor of Philosophy, at Chapel Hill last week. This is no honorary degree, but rather represents a period of many years hard study. It is a rare thing that any man gets this degree under thirty years of age. It is one of the highest degrees that men work for in the modern colleges. Prof. George has made Biology his specialty and has completed the course at Chapel Hill and taught and done special work for several years with a view to getting this degree. He is now in the army, stationed at Washington, D. C., having been assigned to the branch of the Medical department.

Sunday School Convention.

The annual Sunday school convention for Mount Airy circuit will be held at Salem church next Sunday. It will be an all day affair with dinner on the ground, and will be held out in the grove where the big revival is in progress. A varied and attractive program has been arranged and a great crowd is expected to attend. There will be exercises by the different schools of the circuit at the morning sessions, followed by an address, and in the afternoon there will be more speaking and discussions. It is announced that Prof. O. V. Woosley, Sunday school field secretary for the Western North Carolina conference, will be present and deliver the principal address of the day. Attorney John Folger and the Rev. Geo. D. Herman will also deliver addresses. The people have been making large preparation for the event and it promises to be of much help to those interested in Sunday school work. Mr. Woosley is said to be a most interesting speaker and is an expert in the work. The convention will begin at 10 a. m.

More Than Three Thousand Babies Die in North Carolina

I am the Baby.
I am the youngest institution in the World—and the oldest.
The Earth is my Heritage when I come into being, and when I go I leave it to the next Generation of Babies.
My mission is to leave the Earth a better place than I found it.
With my million little Brothers and Sisters I can do this, if the world does not impose too many handicaps.
Now I need Pure Milk and Fresh air and Play.
When I am a little older I shall need good schools in which to learn the lessons of life.
I want to live, laugh, love, work, play.
I want to hear good music read good books, see beautiful pictures.
I want to build Houses and Roads and Railroads and Cities.
I want to walk in the woods, in the waters, and play in the snow.
I am Yesterday, Today and Tomorrow.
If you will make my way easy now, I will help you when I grow up.
I am your Hope.
I AM THE BABY.

"Can you tell me," said the court, addressing Enrico Ufuzzi, under examination at Union Hill, N. J., as to his qualifications for citizenship, "the difference between the powers and prerogatives of the King of England and those of the President of the United States?"
"Yeazor," spoke up Ufuzzi, promptly, "King, he get steady job."
