Public, sentiment has chrystalized into definite form on the subject of what should be done with a man who

Fifth Grade Lad Ilas Soft Scheme for Obtaining Cash A lad attending the Rockford school, drives while drunk enough to be a dangerous driver. A prison term is what the public demands and expects ready cash without the formality and of the courts; and the courts are trouble attendant upon working for aware of the public demands. Know, ing all this the lawyers are hard put to it to clear a client when charged with driving while drunk. The law-yers have found that the best ples that will go with a court is to show their client as a fine fellow who has made just one step out of the way and never before in his life was he guilty of any offense against society either private or public. If the court can be made to believe all this, and no doubt it is sometimes true, then the sentence of a fine can be secured. But yays easy to show up a client in the light of a good fellow who was un-lucky and got in wrong. This all recalls the eid story of how the boys used to get out of the charge aware of the public demands. Know- it. His scheme is to rush into a
