Be Rid of That Ache

If you are a sufferer with lame back, backache, dizziness, nervousness and kidney disorders, why don't you try the remedy that your own neighbors recommend?

Jno. T. Moore, agent Southern Express Co., 212 Pine St., Mt. Airy, gave the following statement on July 13, 1918: "I had such sharp pains in the region of my kidneys that when I bent over, I could hardly straighten. I had a nagging pain all the time. The kidney secretions were scanty and had a thick color. At times I was so dizzy and had a tired and languid feeling. I used Doan's Kidney Pills and they relieved the aching in my back and regulated my kidneys. Whenever I feel my back or kidneys aren't getting right, I take Doan's and they always fix me up fine."

On April 23, 1923, Mr. Moore said: "I haven't had any sign of backache and the kidney action has been fine. There is no doubt in my mind that Doan's are the best kidney medicine in the world. I gladly confirm my former statement."

Honor these Seals

A NATION-WIDE movement is carrying on a warfare against the scourge of Consumption. In saving over 100,000 lives last year, it actually cut the death rate from tuberculosis in half.

Each year these organizations sell Tuberculosis Christmas Seals. The proceeds from these sales are devoted to the work of caring for and curing tuberculosis patients and to educational and other work to prevent the dread disease.

Buy these Seals and urge your friends to buy and use them. To do this is both Charity and Patriotism.

Stamp Out Tuberculosis with Christmas Seals

75 per cent of the proceeds are used in our own localities to fight the Tuberculosis plague.
