## We Quit! We're Through

For good and substantial reasons we have decided to give up our General Store business in this city. We have turned our immense stock over to Mr. Maddox for pick and immediate sale. This merchandise Wizard has instructions to drag it to the bargain block, turn into ready cash. Mr. Maddox has entire jurisdiction in our store. He makes prices, not with a view of out-forgoing all profits but with a view of pushing it out at what it will bring.
