

Recorder's Court Cases.

The case against Raymond Childers, charged with having in his possession a patent medicine for liver...

J. J. Hunder, alias J. W. Dudley, charged with forgery, was released upon payment of the cost...

Ed Mathews, the young negro who "borrowed" Mrs. Oscar Moore's car when she wasn't looking and smashed it near Elkin...

Charles Taylor, charged with assault with an auto upon officers Jess Monday and R. E. Lawrence when they attempted to stop the car driven Taylor and which car was suspected of carrying liquor...

Richard McCargo, charged with being drunk on the streets, was dismissed on payment of costs.

Charley Bronson, for exceeding the speed limit in Mount Airy and operating a car while under the influence of liquor, was given a six months' suspended road sentence...

Six Hour Parking Ordinance To Be Enforced.

The city of Mount Airy has an ordinance which prohibits the parking of a car on any street longer than six hours and affixes a penalty for the violation of such ordinance...

The city council, therefore, is calling upon the police force to begin the strict enforcement of the ordinance. Chief Lawrence desires The News to announce to everybody that hereafter owners of cars parked on any Mount Airy street longer than six hours will be haled into court...

Fair warning, as Colonel Ball would say. Hereafter if your car is parked longer than six hours on the street you are liable to find yourself telling the judge about it next Monday morning.

Flu Coughs Hang on. Some victims of the "flu" never fully recover the health of the lungs and coughs that "hang on" are the coughs that threaten Chamberlain's Cough Remedy puts a soothing, healing coating on the inflamed surfaces...

HERE'S WHAT PEOPLE SAY ABOUT TANLAC

"If it had not been for Tanlac I would still be a sick, discouraged woman, for nothing else seemed to do me any good," Says Mrs. Edward Gibbs.

All the advertising in the world and all the sales efforts combined could not have made the great success for Tanlac that has been attained, unless this reconstructive tonic possessed merit of the greatest degree.

That Tanlac possesses merit and has brought relief to hundreds of thousands of persons is attested by the great number of testimonials that have been received by the company from people in every state of the Union and every province of Canada.

There are over 10,000 such statements on file with the company, all ringing with sincere praise for Tanlac and that it has accomplished. Here are excerpts from a few of 100,000 statements on file: Mrs. Edward Gibbs, Lancaster, Pa. For 2 years indigestion deprived of nearly all the pleasure of life. If it had not been for Tanlac I could still be a sick and discouraged woman, for nothing else seemed to do me any good."

New Victory Theatre to be Erected.

W. H. Merton, owner and proprietor of the Victory Theatre, announces in these columns his intention to begin immediately the erection of a new Victory theatre that will seat 500 people. This new picture house will be just in the rear of the present one and will be reached by means of an eight-foot passageway leading thru the present building.

An alleyway from Moore avenue will provide an entrance to the balcony of the new house, which will be occupied by colored people. The building is to be of reinforced concrete and will be 50 by 60 feet. It will be erected on ground owned by A. Goldsmith, under a long term lease.

For months it is understood that the Victory management has for two or three nights a week been forced to turn away patrons because its seating capacity was not sufficient to accommodate them. When erected this theatre will doubtless have the largest seating capacity of any public auditorium in Mount Airy.

Mr. Marion announces that this new theatre will be equipped in the most approved modern style and will be the latest word in picture houses. He is now fast closing out his stock of furniture and pianos and hereafter will give his entire time to his picture business.

Many Bidders for Dobson-Lowgap Star Route.

Star route No. 18159 from Lowgap to Dobson, six round trips per week, was advertised for bids last month. The contract pay had been \$1095 a year and the mail was being carried by three different families. Several farmers in the Lowgap section put in bids to carry the mail on this line and the rate cutting was so sharp that the Fourth Assistant Postmaster General rejected the lowest bid of \$760 as not being a suitable bid.

However, on the day the postmasters at either end of the line received the blank applications for rebids, all the applications were snatched up by the eager bidders, and it is rumored that a swift flying motor car made a hurry trip from Lowgap to Dobson and took possession of all the blanks at that office. Persons in the Lowgap section who are disinterested say that unless this bidding is settled and somebody gives the contract soon, that the whole Lowgap neighborhood will lose a crop over it.

Drygoods Martin in New Location.

R. A. Martin, known in Mount Airy as "Dry Goods Martin" to distinguish him from the Martins who sell other lines of merchandise, has moved his stock from the location formerly occupied by him on North Main street to the corner of Main and Moore Avenue. His present store was formerly occupied by Mrs. A. M. Harvey's millinery store.

Good Digestion a Blessing.

Why keep on suffering from those gassy pains that crowd the heart, indigestion and sour stomach when Chamberlain's Tablets may be so easily had and for so small a sum. Only 25c. Try them.

Enthusiasm Growing Over Egg Laying Contest.

Every mail brings word of fresh recruits in the egg laying contest and seldom a day passes that one or more persons do not drop into the News office to tell us how nobly their hens are performing. This is the month for hens to spread themselves, and the break in the price of eggs in New York last week, when they tumbled 15 points to the low record wholesale price of 27 cents, indicates that hens all over the country are on the job.

Keep close tab on your hens and gather the eggs daily and then when March 15th is passed send us in your report. Don't get discouraged because their performance seems to you to be too low. You would be surprised to know what the best poultry fanciers around Mount Airy are doing. This hint will be sufficient: If you get an average of 40 eggs a day from 100 hens you will be in the race and going good.

Stout But Not "Heavy" Stout persons say that Chamberlain's Tablets have no equal for bringing about a light free condition of the body. No bloating, no gassy pains, biliousness nor constipation when they are used. Small cost, only 25c.

The Mount Airy News four months for 50 cents, one year \$1.50.

IT IS SERIOUS Some Mt. Airy People Fail to Realize the Seriousness of a Bad Back.

The constant aching of a bad back, The weariness, the tired feeling, The pains and aches of kidney ills, May result seriously if neglected. Dangerous urinary troubles often follow.

A Mount Airy citizen shows you what to do.

G. W. Gates, blacksmith, N. Main St., says: "I think continuous, heavy lifting weakened my back and kidneys. I had a lot of dull pain in the small of my back and sometimes if I stooped, I had to place my hands on my back and pull myself up, so severe were the pains. My kidneys also bothered me as the secretions were so free and often in passage. I used Doan's Kidney Pills and they soon had my back in good shape and my kidneys in good order. I use Doan's once in awhile just to keep my back strong."
