**Evangelistic Meeting**

The Evangelistic meeting at the First Baptist Church under the leadership of the pastor and Mr. DuPre Rhame will come to a close next Sunday night. Night after night the auditorium has been filled to its capacity and the crowd filling at times the Sunday school rooms. The music is a fine feature of the meeting. Large choir, and congregational singing. The Juniors add much to the congregational singing, especially when Mr. Rhame calls for "Everybody Ought to Love Jesus." Mr. Rhame has made himself particularly likable to everybody. His leading of the old hymns is superb and his solos are enjoyed by the old and young.

The preaching by the pastor is in the plain practical sort. The objective of the morning services is the deepening of the spiritual life of the church member, and the services have been largely attended. The sermon subjects for the remaining evenings of the meeting are as follows:

Tonight, subject: "A Question God Cannot Answer."  
Friday night, subject, "A Refuge of Lies."

No service Saturday night.  
Sunday morning at eleven, subject, "Saying Goodbye to God."

Sunday night, subject, "When God Gives the Sinner Up."

**PILOT MOUNTAIN SCHOOL OPENS**

**Fine New Building, Strong Faculty and Largest Enrollment in History of School**

Pilot Mountain, Sept. 8.—The Pilot Mountain school opened today with a total enrollment of three hundred and twenty, eighty six registered for the high school courses, the largest attendance in the history of the school. At least a hundred more are expected to enter from town, the Ararat section and the district of Hills.

Doubtless the unusual interest in the opening of the school this season is due to the new school building. The building has just been completed at a cost of \$60,000.00 and is located near the center of the town on an eleven acre tract of land. The building has seventeen class rooms, an auditorium with a seating capacity of six hundred and two offices, steam heat, electric lights and a fresh water system.

The construction and furnishing of the new building has been under the direction of the local school board made up with W. R. Badgett, chairman, I. M. Gordon, treasurer, O. T. Fowler, W. J. Swanson and W. M. Matthews, members. All members of the board were present at the opening of the school and made interesting and inspiring talks.

The devotional exercises were conducted by Rev. J. A. Cook, Methodist pastor and Rev. John D. Smith, Presbyterian pastor.

Prof. G. L. Houk, formerly of Franklin, N. C., is principal of the school and teacher of science. Prof. Houk outlined the purpose and program of the school this year, stating that the school has been placed on the accredited list of state high schools since his coming to Pilot Mountain two weeks ago. Prof. Houk's commanding appearance and his familiarity with school work impressed all with his ability to take charge of the school and stay in charge till the end of the term.

The other teachers of the school are: Misses Jennie Reid, Nannie Gordon, Wilma Snow, Pilot Mountain, Miss Mamie Cox, Fox, Va., Miss Jennie Harris, Wilkesboro, Paul A. Reid, Pilot Mountain, Miss Anna Phipps, Columbus, Ohio, Miss Sallie Harrison, Hookerton, N. C. Miss Lucile Griffith Jackson, Tenn., and Miss Eugenia Wheeler, Walnut Cove, music teacher. All the high school teachers are graduates of standard colleges and most of the grammar grade teachers have had at least two years in college.

**A New Registration For Ward No. 1**

The continued growth of Mount Airy and the surrounding territory has made it necessary for the county board of elections to make another ward in Mount Airy township. A few years ago when this township had only two wards it was almost impossible to care for those who came to the polls. The board realized this condition and made four wards of the township. Now it develops that Ward No. 1 has grown until the board has been obliged to divide it and make a fifth voting place, which calls for a new registration of all voters in the present Ward No. 1. Those who reside in Nos. 2, 3 and 4 will not have to register nor are they in any way affected by the changes made in No. 1.

No. 1 Ward will compose the territory bounded as follows: Beginning at the intersection of Rockford and Main streets and runs with the Dobson road to the Dobson township line; thence westward to the Lowgap road; thence with said road to Mount Airy at South street; thence up South and Franklin streets to Main; then down Main to Rockford.

Ward No. 5 will embrace the following territory: Beginning at Main street and runs down Franklin and South streets; thence out the Lowgap road to the Stewarts Creek line; thence westward with the Mount Airy township line to the Fancy Gap road; thence with said road and Lebanon street to Main; thence down Main to Franklin, the beginning.

The voting place for Ward 1 will be Granite City Motor Co. show room, and for No. 5 old Central Warehouse on Franklin street.
