

CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tona" Is Harmless To
Clean Your Sluggish Liver
and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tona tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tona. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tona is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tona will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tona will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

The Four Amendments.

Statesville Landmark.

At the election next fall four amendments to the state constitution will be submitted to the voters for ratification. The amendments provide (1) restricting local, private and special legislation; (2) to prevent delays in trials by providing emergency judges; (3) to prevent special charters to corporations by the general assembly; (4) to prevent special charters to towns, cities and incorporated villages.

Each of the amendments proposed has in it the promise of reducing the expense of the State. Three of them will relieve the General Assembly of attending to various local affairs and give time to pay attention to legislation of State-wide interest.

The amendments to restrict local, private and special legislation would relieve the General Assembly of such matters as establishing county and city courts, appointments of justices of the peace, matters relating to ferries, bridges, non-navigable streams, cemeteries and all that class of county and town legislation which could easily be looked after in the countries and towns. Another amendment would allow the General Assembly to provide for the chartering of corporations under a general law instead of taking up time of the Legislature. And in the same way general legislation for city and town charters would be provided.

The other amendment is to provide for emergency judges who would take the places of Superior Court judges who are not able to hold court by reason of sickness, disability, or other cause. By means of these special or emergency judges there would be no delay or postponement of the courts of any county. This amendment is proposed with the purpose of saving money to the counties of the State, for delays in holding courts cost money, and it is held that there would not alone be a saving in dollars and cents by having such judges, but that justice would be expedited.

Commonwealth Building.

The obligation and the opportunity of the hour is to make life on the farm just as profitable and just as attractive as life in the town. The man who most deeply feels this obligation, who most clearly sees this opportunity will most surely serve his day and generation. He who would render this high service must bring to his task a serene faith, superb common sense and supreme unselfishness.

The first step to be taken is to give to every man who tills the soil a fair chance to own it. This is the mudsill upon which alone can be builded a profitable and attractive rural civilization. The small farm owned by the man who tills it is the best plant-bed in the world on which to grow men. A landless population will always make a Mexico, but the citizen standing in the doorway of his own home is at once the builder and the bulwark of the commonwealth. —Attorney-General T. W. Bickett.

CIDER MILLS!

CIDER MILLS!

If you are going to need a cider mill this season, you can find two sizes of a high grade mill, with nothing but good material used in the manufacture at my store. If you will have several bushels of apples that will go to waste it will pay you to buy a Cider Mill and make them into cider.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging
Conditions, Mrs. Bullock Gave
Up in Despair. Husband
Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.
