

KEEPS HER CHILDREN IN PERFECT HEALTH

Dr. Caldwell's Syrup Pepsin the
Family Laxative for
Many Years.

Mrs. Aug. Doellefeld of Carlyle, Ill., recently wrote to Dr. Caldwell, at Monticello, Ill., that she has used Dr. Caldwell's Syrup Pepsin in her home for a number of years, and would not be without it, as with it she has been able to keep her four children in perfect health.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that acts on the bowels in an easy, natural way, and regulates the action of this most important function. Nearly all the sickness to which children are subject is traceable to bowel inaction, and a mild, dependable laxative, such as Dr. Caldwell's Syrup Pepsin should have a place in every family medicine chest. It is pleasant to the taste and children like it, and take it readily, while it is equally effective for adults.

Dr. Caldwell's Syrup Pepsin is sold in drug stores everywhere for fifty cents a bottle. To avoid imitations and ineffective substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See that a fac-

simile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. D. Caldwell, 455 Washington St., Monticello, Illinois.

KING'S MOUNTAIN TO CELEBRATE OCT. 7TH

136TH ANNIVERSARY OF THE
REVOLUTIONARY BATTLE OF
KINGS MOUNTAIN.

ELABORATE PLANS FOR EVENT

Governor Craig and Governor Stuart
of Virginia With Their Staffs
Will Be Present.

Kings Mountain.—The one hundred and thirty-sixth anniversary of the battle of Kings Mountain will be celebrated this year, October 7 (Saturday) with elaborate preparations now under way for this event. Governor Craig and staff have been invited and Governor Stuart of Virginia will be a speaker and guest of honor. He has accepted the invitation and will also be accompanied by members of his staff.

Bancroft's history states, in connection with this battle, fought a mile over the South Carolina line, that "the victory at King's Mountain, which, in the spirit of the American soldiers, was like the rising at Concord, in its effect like the success at Bennington, changed the aspects of the war. The loyalists no longer dared to rise. It fired the patriots of the two Carolinas with fresh zeal. It encouraged the fragments of the defeated and scattered American army to seek each other and organize themselves anew. It quickened the legislature of North Carolina to earnest efforts. It encouraged Virginia to devote her resources to the country south of her border. The appearance on the frontiers of a numerous enemy from settlements beyond the mountains, whose very names had been unknown to the British, took Cornwallis by surprise, and their success was fatal to his intended expedition. He had hoped to step with ease from one Carolina to the other, and from those to the conquest of Virginia, and he had now no other choice but to retreat.

"That memorable victory, Jefferson declared, was the joyful annunciation of that turn of the tide of success which terminated the Revolutionary War with the seal of independence."

Women in All Departments.

Chapel Hill.—This year, for the first time in its history, the University of North Carolina has had women registered in all of its departments and professional schools. The department of pharmacy was the last one to be invaded by women, two having registered for the course in pharmacy this year. These are Miss Margaret Lynch of Chapel Hill and Miss Minerva Bingham of Ruthenwood.

Prof. E. V. Howell of the pharmacy department declares that pharmacy is a profession for which women are eminently suited because of the qualities of neatness and accuracy demanded. Already there are many women pharmacists in the North and West, also one or two in this state.

The department of law and medicine have had women students for some time. Last year Miss C. Z. Corpening of Mars Hill completed the medical course offered here with great credit and is this year pursuing her higher medical studies in Tulane University, it being the nearest high class medical school which takes women. The law school has had one or more graduates for the last two or three years.

New Bank Gets Charter.

Raleigh.—One new bank and amendments for two others was the record of charters and charter amendments in the office of the Secretary of State. The Carolina Bank of Gibson was chartered with \$100,000 capital authorized and \$10,000 subscribed by W. H. Sanders, E. L. Gibson and others for a general banking business.

May Chain Prisoners in Bed.

Asheville.—Dennis Boykin, a negro convict, operated on at the Mission Hospital a few days ago, made his escape from the hospital. Boykin, who is the second negro to escape in this manner in the past few weeks either stole clothing from a fellow prisoner or was supplied from the outside. George James another negro, made a similar escape several weeks ago, taking with him some money and clothing belonging to others. Negro prisoners may yet be chained to their beds in the hospitals.

Heavier Dams Ordered for Power Development at Bridgewater.

Morganton, Sept. 28.—Morganton and Burke have quickly grasped the great benefit to this section of the Southern Power Company's developments at Bridgewater, in the upper edge of this county, and one of the first steel bridges erected will be situated so as to give a direct route from here to the works. The bridge will be completed within 60 days.

An interesting thing in connection with the developments is that the water from the Catawba River is to be diverted from its course and carried through a tunnel under a good size mountain, and put into the immense reservoir. The dam of which will be located on the Linville River at Pools Mill and the Kincaid farm.

This will be the site of the power plant.

The construction companies will soon have the branch railroad completed out from Bridgewater.

It was decided at the recent trip of Mr. Duke to the works that the investment would be increased to two million dollars by building heavier dams than first contemplated.

The opening of the work has been a great thing for the flood sufferers in this section in general.

When You Take Cold.

With the average man a cold is a serious matter and should not be trifled with, as some of the most dangerous diseases start with a common cold. Take Chamberlain's Cough Remedy and get rid of your cold as quickly as possible. You are not experimenting when you use this remedy, as it has been in use for many years and has an established reputation. It contains no opium or other narcotic. Obtainable everywhere.

J. E. Burleson Accidentally Shot.

Spruce Pine, N. C., Sept. 27.—J. E. Burleson, a prominent citizen and mica miner of Spruce Pine, was accidentally shot today in a very peculiar way. Mr. Burleson was sitting on the porch of McCall's store, across the river from Spruce Pine, where a balloon ascension was about to take place and some one shot off a .32 calibre pistol in the air. The ball in descending fell on Mr. Burleson, knocking him off the chair in which he was sitting, going through his hat and causing a very painful but not fatal wound in the head. Mr. Burleson will recover but he thinks people should use blank cartridges in announcing balloon ascensions hereafter.

Sloan's Liniment for Neuralgia Aches.

The dull throb of neuralgia is quickly relieved by Sloan's Liniment, the universal remedy for pain. Easy to apply; it quickly penetrates without rubbing and soothes the sore muscles. Cleaner and more promptly effective than musky plasters or ointment; does not stain the skin or clog the pores. For stiff muscles, chronic rheumatism, gout, lumbago, sprains and strains it gives quick relief. Sloan's Liniment reduces the pain and inflammation in insect bites, bruises, bumps and other minor injuries to children. Get a bottle to-day at your Druggist, 25c.

W. W. Barber, long in the railroad service and formerly a conductor on the Western North Carolina railroad, died Wednesday, the 28th, at Spruce Pine. In recent years he had lived at Edgemont, Caldwell county, and conducted the hotel there.

State Engineer Surveys Bridge.

Mooresville.—State Engineer Falls and his assistant, Lewis Craven, spent the afternoon at the river eight miles west of town, making a survey of the proposed free bridge ordered by the county commissioners to be built at once. It is quite probable that a new site will be recommended, although if it can be done, the site of the Brown and Troutman bridge will be utilized. Commissioner W. C. Johnston was with the engineers, together with a number of interested private citizens.

A wise man to provide for the future will keep in the house a bottle of Dr. SETH ARNOLD'S BALM for sudden attacks of Bowel Complaints. Warranted by Marion Pharmacy.

Many a Marion Reader Will be
Interested.

When people read about the cures made by a medicine endorsed from far away, is it surprising that they wonder if the statements are true? But when they read of cases right here at home, positive proof is within their reach, for close investigation is an easy matter. Read Marion endorsement of Doan's Kidney Pills.

J. N. Norton, farmer, Garden St., Marion, says: "I had a dull ache across the small of my back and it hurt me to stoop or straighten up. A friend recommended Doan's Kidney Pills and I got some. One box was all I needed to remove the pain from my back. Whenever I have noticed a sign of kidney complaint since, Doan's Kidney Pills have helped me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Norton had. Foster-Milburn Co., Props., Buffalo, N. Y.
