

RELIEVE HEADACHES WITHOUT DOSING

By Applying Sloan's Liniment to Forehead You Can Stop the Severe Pains.

Many headaches are of a neuralgic origin. The symptoms of such headaches are intense and lingering pains in the brow, temples or back of the head.

There is one certain relief that has been known and recommended for years back, Sloan's Liniment. One application and the dull pain is practically gone. It is easily applied without rubbing. Rubbing is unnecessary, as Sloan's Liniment quickly penetrates to the seat of trouble.

Aching muscles, rheumatism, bruises, lumbago, chilblains, sprains and stiff neck can also be most effectively treated with Sloan's Liniment. Cleaner than musky plasters or ointments; it does not stain the skin or clog the pores.

At all drug stores, 25c, 50c., \$1.00.

Notes of Interest to Farmers.

By W. R. Bailey, Farm Demonstrator.

There is still time to plant salad crops for early spring use, provided the soil is good, the seed bed firm, and the open furrow plan of seeding is followed.

The record. The best of C. M. Pool's sweet clover grew five feet in five months from seeding. The yield of green forage was 9½ tons per acre. When thoroughly dry he will report on the hay yield.

Another yield. Mr. Houston Owensby sowed a mixture of Sudan grass and peas after wheat and made 2½ tons of fine hay per acre. When sowed late in the season the mixture matures evenly, but if sowed early the Sudan is ready to cut some time before the peas.

The seed bed. Make it firm, pack it down. The disc set straight and weighted answers fairly well if no packer is available. The steel harrow does good work if the teeth are put in to the head and set almost flat and weighted. The type of harrow sold generally is not the best because when the teeth are set flat they drag in the ground.

Few people properly appreciate the value of rape for salad. The Chinese consume many thousand tons annually. Besides its table value it makes great food for chickens and pigs. Properly planted now it will make a great yield of forage for early spring grazing. It will be almost like growing a crop of corn in April and May, the way in which it will save the crib then.

The Rev. Dr. W. W. Brays, 77 years of age, for 52 years a minister of the Methodist Episcopal Church, South, died at his home in Charlotte Tuesday, just one month after he and his widow had celebrated their golden wedding anniversary. He had held leading pastorates in Charlotte and Asheville, N. C.; Knoxville, Chattanooga and Bristol, Tenn.; Rome, Ga.; Little Rock, Ark., and several of lesser importance.

How Catarrh is Contracted.

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucus membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.

Unprecedented migration of negro laborers from the South toward the North, where the war has resulted in scarcity of European immigration laborers, has attracted the attention of the Department of Labor. Reports are being received from Northern labor organizations who view the movement with disfavor, and from employers in the South, who regard it with some apprehension.

When You Take Cold.

With the average man a cold is a serious matter and should not be trifled with, as some of the most dangerous diseases start with a common cold. Take Chamberlain's Cough Remedy and get rid of your cold as quickly as possible. You are not experimenting when you use this remedy, as it has been in use for many years and has an established reputation. It contains no opium or other narcotic. Obtainable everywhere.

Your Health Depends on What You Eat.

"After all," says a bulletin from the State Board of Health, "good health is largely a matter of what goes into the stomach. If a person eats heavily of rich, greasy concentrated foods, such as fried meats, rich pastries, soggy or underdone breads, he will soon find himself seeking a relief from headache, sluggishness, constipation, and biliousness, and the patent medicine route will be the way he will likely choose. Pills, purgatives and most any patent medicine will find a hearty welcome and become a warm friend to persons who so poison themselves. The trouble arising from eating food of this kind is that it ferments in the stomach, throws off poisons and creates a condition which calls for a stronger poison in the form of medicine to throw off the food poison. The patent medicine habit is not acquired and the digestive organs of the stomach are wrecked and no longer perform their natural functions.

"On the other hand, whoever eats freely of fruits, vegetables, milk, butter, salads, cereals and nuts—foods prepared by nature for man—not only avoids digestive troubles but he is spared the evil effects of food poisons, such as rheumatism, headaches, sluggishness, and biliousness. He also escapes the patent medicine habit. He eats according to nature's demand and needs and no medicine is required as an after dose."

Constipation Dulls Your Brain

That dull, listless, oppressed feeling is due to impurities in your system, sluggish liver, clogged intestines. Dr. King's New Life Pills give prompt relief. A mild, easy, non-gripping bowel movement will tone up your system and help to clear your muddy, pimply complexion. Get a bottle of Dr. King's New Life Pills to-day at your Druggist, 25c. A dose to-night will make you cheerful at breakfast.

A certain clergyman was called upon to dedicate a negro church. After service the minister called upon a negro deacon to offer the closing prayer and this is what he gave: "Oh Lawd gib this po brudder de eye ob de eagle dat he may spy afar off. Glue his hands to de gospel plow dat he mak de farrow deep. Tie heem tongue to de whiteness ob truf. Den nail his ears to de gospel pole. Bow heem head way ob Lawd tween heem knees en fix heem knees way down in some dark en lomesome valley whar prayer am much wanted to be made. Den noint heem wid de kerosene ile of salvation en set him afire. Amen."

Bad Colds From Little Sneezes Grow

Many colds that hang on all winter start with a sneeze, a sniffle, a sore throat, a tight chest. You know the symptoms of colds, and you know prompt treatment will break them up. Dr. King's New Discovery, with its soothing antiseptic balsams, has been breaking up colds and healing coughs of young and old for 47 years. Dr. King's New Discovery loosens the phlegm, clears the head, soothes the irritated membrane and makes breathing easier. At your Druggist, 50c.

The States in which women may vote for President next November are Kansas, Colorado, Idaho, Wyoming, Montana, Arizona, Utah, Oregon, Washington, California and Nebraska. These States have a total of 91 votes in the Electoral College.

Head-off That All-Winter Cough

At the first sign of sore throat, tight chest or stuffed-up head take a dose of Dr. Bell's Pine-Tar-Honey. The healing pine-tar, soothing honey and glycerine quickly relieve the congestion, loosen the phlegm and break up your cold. Dr. Bell's Pine-Tar-Honey has all the benefits of the healing aroma from a pine forest, it is pleasant to take and antiseptic. The formula in the bottle tells why it relieves colds and coughs.
