SYNOD MEETS AT SALISBURY

Dr. Summerell of New Bern is Elected Moderator at the 103rd Session of Presbyterians.

Salisbury.—Dr. J. N. H. Summerell of New Bern was elected moderator of the North Carolina Presbyterian Synod here. Three Charlotte men, Dr. A. A. McGeachy and Elders J. B. Ross and W. H. Belk were prominently mentioned in the nominations. Strong pleas were made for additional funds to help much needed work now being done by the church.

The one hundred and third session was opened by the retiring moderator, Rev. Walter L. Lingle, of Union Theological Seminary, Richmond, Va., with a sermon on "What is to be a Christian."

An address on "The Presbyterian Standard" by Dr. J. R. Bridges, the report on Christian education and ministerial relief was read by Dr. W. McC. White of Raleigh, and stirring addresses on these causes were made by Dr. H. H. Sweets of Louisville, Ky., secretary of the General Assembly's Executive Committee, and Dr. W. L. Lingle. Doctor Sweets thanked this Synod for its splendid roll of candidates for the ministry, due largely to the work of Davidson College. He pleaded also for a larger endowment fund for ministerial relief.

Last December this fund amounted to \$322,000. One of the North Carolina elders has agreed to raise this to \$400,000 if the whole church will double his gift of \$68,000 and thus raise the total to over a half million.

After a very interesting report of the year's work by Dr. J. M. Wells of Wilmington, an address on the financial aspects of the work was made by Edwin F. Willis of Nashville, Tenn., the treasurer of the assembly's executive committee. Several of the missionaries now on furlough made appeals for their fields of labor. The Synod of North Carolina is the banner Synod of the church in its generous support of this cause as its contributions amount to more than \$100,000 a year.

Statesville Boosts Home Products.

Statesville.—The inauguration of a movement for a big "Made in Statesville" exhibit was the chief feature of the meeting of the Merchants' Association. President A. W. Bunch had worked out a tentative plan for the exhibit which may be held about the first of December.

The owners of the handsome new building of the Lazenby Montgomery Hardware Company nearing completion have offered the association the free use of the first floor for one week. The plan is to decorate the show room and allot space to each of the Statesville manufacturers who desire to display their goods, making a charge for space sufficient to bear the actual expenses of the undertaking. After being allotted space, the manufacturer could display his goods in whatever manner he chose.

To Rebuild Bridges.

Hendersonville.—The construction of concrete bridges on the Horse Shoe and Mills River roads, which were washed away by the flood, will begin at once, according to a statement made by Supervisor P. F. Patton, who was here from Greenville. These places have been spanned since July with temporary structures which has resulted in great inconvenience to traffic.

Moreover the Dog.

There was once a darkey who had a dog which he named "Moreover" and when asked where he got the name he said he got it out of the Bible; when asked to point out the Scriptures from which he got the name, he says, don't you remember in the story of Lazarus where it says that "Moreover the dog, came and licked Lazarus' sores?"

Sufferer from Indigestion Relieved.

"Before taking Chamberlain's Tablets my husband suffered for several years from indigestion, causing him to have pains in the stomach and distress after eating. Chamberlain's Tablets relieved him of these spells right away," writes Mrs. Thomas Casey, Geneva, N. Y. Obtainable everywhere.

RHEUMATISM AFTER HIS DAY'S OUTING

Hunting Trip On A Wet Day Brings Painful Results.

Once upon a time Charles Mullen, of Philadelphia, went gunning. It was a dismal rainy day, and long exposure to cold and wet brought on a severe attack of rheumatism. He was confined to his home.

A friend recommended Sloan's Liniment, citing his own case as evidence of its effectiveness. Mullen bought a bottle and applied it to his aching limbs. Soon improvement was noticed and he was able to return to business.

Mr. Mullen writes: "Since that experience I have never been without Sloan's Liniment in the medicine chest." You will find it soothes bruises, sprains, toothache and relieves lame back, neuralgia, in fact all external pains. At all druggists, 25c., 50c and \$1 00 a bottle.
