MISS LEWIS IS NAMED ON HISTORICAL BODY

Dr. J. T. Burrus, of High Point, Added to State Hospital Board—Other Board Members.

Raleigh, April 10. — Governor Gardner today named Miss Nell Battle Lewis, newspaper woman, of Raleigh, member of the North Carolina Historical commission to succeed Ben Dixon MacNeill, whose term expired April 1.

When asked what a member of the commission is expected to do, Governor Gardner said that he hoped Miss Lewis will help to write history. The whole business is new to his excellency, but he feels that Miss Lewis can do a lot to get at the truth about North Carolina history. The duties of the commission are to collect historical data, to edit, to encourage the teaching of history in the schools and to elect the secretary to the commission.

Associate Justice Heriot Clarkson of the State Supreme Court, was re-appointed to the commission. His term and that of Miss Lewis will expire March 31, 1935.

Dr. J. T. Burrus, of High Point, was the only new member appointed on the board of the State Hospital for the Insane at Morganton. He succeeds O. M. Mull, of Shelby. Members of the board re-appointed were J. H. Beall, Lenoir; R. R. Clark, Statesville; J. R. Boyd, Waynesville; and John M. Scott, Charlotte. Their terms will expire April 1, 1933.

Foster Hankins, of Lexington, succeeded S. W. Finch, also of Lexington, on the Agriculture and Technical College of North Carolina board. Other members of the board of the negro institution re-appointed, whose terms will expire in January, 1935, are Leake S. Covington, Rockingham; R. F. Beasley, Monroe; Dr. Archibald Johnson, Thomasville, and O. F. Crowson, Jr., of Burlington.

Capt. Nathan O'Berry, of Goldsboro, recently appointed state treasurer to succeed B. R. Lacy, deceased, did not accept reappointment as a member of the board of the State Hospital for the Insane at Goldsboro. His position was filled by E. B. Borden, 3rd, of Goldsboro, whose term will expire April 1, 1933.

All members of the board of the Western Carolina Teachers College, until recently known as the Cullowhee State Normal, whose term expired at this time, were appointed for four years. They are Reuben S. Robertson, of Canton; Mrs. Giles Cover, of Andrews; J. E. Coburn, of Bryson City, and T. H. Shipman, of Brevard. At the last session of the legislature the Cullowhee Normal was made a four-year school, giving it the same rating as other state four-year schools of the same character, and its name changed.

Modern housekeepers demand perfect refrigeration

With the demands on a woman's time these days and the varied interests which engross her, matters of home management *must* be run with as little fuss and bother as possible. Refrigeration, for example, must be absolutely automatic, completely efficient.

The General Electric Refrigerator operates so automatically that you never even have to oil it. It is unusually quiet, makes plenty of ice and uses little current. It is "years ahead" in design because

all its machinery is enclosed in an air-tight steel casing, mounted on top.

It provides the perfect refrigeration which is now recognized as a year-round necessity for health-protection.

The General Electric Refrigerator is most sanitary. Dust is kept from settling on the top because there is a constant gentle upward current of air.

Come in today and see the many models. You can buy yours on a deferred payment plan, if you wish.
