WOMAN'S CLUB MEETS; INTERESTING REPORT

The Woman's Club met Friday afternoon in the Kiwanis rooms. The president, Mrs. J. Q. Gilkey, presided and several business items were disposed of.

Mrs. D. F. Giles read a report from the Red Cross work of the year as follows:

"The Red Cross Christmas Seal fund, \$68.00, furnished hot soup and crackers during seven weeks of our cold weather to 18 underweight and needy children in the primary grades of Marion School. These children made an average gain of 3 1/2 pounds despite the difference in clothing worn when weighed in February and April. One child in the second grade gained ten pounds. The children enjoyed the soups and crackers more than the milk served last year, and the teachers themselves feel that the children were greatly benefited by this hot food, as most of them were actually hungry. An improvement in the class-room work was very perceptible as they gained in weight.

"The teachers wish to commend this work done by the Woman's Club thru the chairmanship of Mrs. Noyes, and to pledge our support to her in future campaigns of this nature."

Mrs. Gilkey tendered her resignation as president and Mrs. D. F. Giles as vice-president, after which a nominating committee was appointed as follows: Mrs. E. H. Dysart, Mrs. Ouzts and Mrs. J. W. Streetman, Sr.

A tournament will be planned in the near future.
