

him of the announcement made in church by a colored minister, who said that religious services would be held in the church at one end of the town the next Sunday morning, and at the church at the other end of the town in the afternoon, and that babies would be baptised at both ends.

Article 8 was referred to the incoming board of selectmen.

Article 9, to see if the town would appropriate money for the Pinehurst Brass Band, was referred to the ladies for settlement. The matter was then discussed by the ladies, who voted to have two brass bands and appropriated \$10,000 for their support.

On the matter of building a school-house in district No. 1, it was voted to postpone the erection of a building and to use the new Carolina Hotel this summer instead.

The disposal of the dog fund was next brought up and on motion of Pat Dwyer it was voted to give this money to the "Pinehurst Kicker." At this Dr. Parcels remarked that as there were no dogs allowed in Pinehurst the poor kicker would starve if he relied on that fund to provide him with a living; but Pat retorted: "Begorra, that's just what we want him to do."

Articles 12, 13 and 15 were disposed of without much discussion, and at 9.45 the meeting adjourned.

The affair was arranged at short notice, but it proved so enjoyable that a "town meeting" will undoubtedly be an annual feature of the village entertainments in the future. Mr. Treadway made an excellent moderator, but as he has been elected to that position a number of times in his home town, this is not to be wondered at. The discussions brought out many witty remarks for which we have not space to print, but they were thoroughly appreciated by those present, and the novel entertainment was enjoyed by all.

**ON THE GOLF LINKS.**

The past week has been a record breaker on the Pinehurst Golf Links. The weather has been good, the grounds have been in first class condition and the interest in the game continues unabated. Among the special features of the past few days have been several cup contests, notably the mixed foursome handicap tournament, the men's foursome handicap tournament, and the gentlemen's open tournament, for the beautiful cups offered by Mr. Tufts. This closes all the cup contests, with the exception of those offered for the season's lowest amateur scores by both ladies and gentlemen. These cups will be awarded to the guests making the lowest scores prior to April 21st. The contest is narrowing down to a very few players and the records are being steadily lowered. The local professional, and gentlemen's and ladies' records for the 18 holes have all been broken during the past week, and the finish promises to be close.

On Friday the mixed foursome handicap tournament, 18 holes medal play, was held with ten pairs entered. Mr. and Mrs. George C. Dutton were first, with a net score of 80. This makes four cups that they have won between them on the Pinehurst links. The following are the entries and results:

Monday morning the gentlemen's open tournament medal play, 18 holes qualifying round, was held, the best eight scores qualifying. There were seventeen entries. Four of the players, Messrs. H. L. and W. D. Phillips, L. Baldwin and G. C. Dutton, withdrew from the semi-finals after qualifying. The qualifying round resulted as follows:

E. A. Thomson,	80
H. M. Brittin,	92
L. Baldwin,	93
S. H. Smith,	94
H. W. Priest,	94
Mr. Barker,	94
R. W. Sise,	94
W. D. Phillips,	95
H. L. Phillips,	96
G. C. Dutton,	96

E. A. Manice	102
A. T. Treadway,	105
C. E. Halsted,	105
W. E. Foster,	110
E. E. Bill,	113

Tuesday morning, in the first round of match play, Sise defeated Smith 1 up, Thomson defeated Brittin 3 up and 2 to play, and Priest defeated Barker 1 up, 19 holes.

Mr. Sise then withdrew, leaving Messrs. Thomson and Priest to settle the matter between them. This was done Wednesday, when in 36 holes match play Mr. E. A. Thomson defeated Mr. H. W. Priest 7 up and 6 to play, and thus won the gentlemen's open tournament cup.

In the ladies' open tournament there were only two entries—Mrs. E. A. Manice and Mrs. R. W. Sise—and yesterday was the time set for the contest to come off. Later Mrs. Sise withdrew and the ladies' open tournament cup therefore goes to Mrs. Manice by default.

During the past week three local records have been broken. Last Saturday L. B. Hallock broke the local professional record by one stroke, going over the 18 hole course in 80. The following is his score:

Out—4, 4, 3, 5, 4, 5, 5, 4, 4—38
In—5, 3, 4, 5, 6, 5, 5, 5, 4—42
Total, 80

On Monday Mr. E. A. Thomson broke the amateur record, making the 18 holes in 80. His score by holes was as follows:

Out—4, 4, 3, 4, 4, 5, 5, 3, 5—37
In—5, 3, 6, 5, 7, 3, 6, 3, 5—43
Total, 80

On Tuesday Mrs. E. A. Manice lowered the ladies' record, bringing it down to 91 for the 18 holes. Her score by holes was as follows:

Out—4, 5, 4, 6, 5, 6, 7, 4, 4—45
In—6, 4, 3, 6, 6, 4, 7, 3, 7—46
Total, 91

A copy of the London, England, *Daily Telegraph* of March 12th, received by Mrs. Alexander Rumrill who is spending the winter at the Lenox, contains the following mention of Vardon's visit here.

"Vardon gave a brilliant exhibition of golf at Pinehurst, North Carolina, on Saturday, playing against the best ball of two local professionals—Tucker and Hallock—in a 36 hole match. He won by 8 up and 7 to play."

**Trip to Carthage.**

Last Tuesday a party of our villagers made a trip to Carthage, going over by rail. Court was in session and the party made a visit to the court house and saw justice meted out to a number of offenders. The town was crowded with people and vehicles of all kinds, and horse-trading and other amusements were in full swing. After dinner a journey into the surrounding country was made and many interesting things were seen. The return was made on the train reaching Southern Pines at 6 o'clock, arriving home in time for supper. The trip gave our Northern visitors an excellent chance to see a bit of real Southern life, and it was heartily enjoyed by all. Quite a number of pictures of characteristic scenes were obtained. The party was made up as follows: Mrs. James R. Connell, Miss Francis S. Hanscom and Miss Martha Kimball, of Portsmouth, N. H., Mr. and Mrs. H. C. Graton of Worcester, Mass., Rev. R. B. Tobey of Boston, and Messrs. James W. Tufts and F. T. Spinney.

**Sunday Evening Concert.**

The regular weekly public concert by the Holly Inn orchestra, under the direction of Trev. Sharp, was held in the music room at Holly Inn last Sunday evening and was well attended. The program was a fine one and was well rendered throughout. The vocal solos by Mrs. McKown and the clarinet solo by Mr. Ryder were especially pleasing and were heartily applauded. The program was as follows:

Vocal Solo—"Beauty's Eyes"	Tosti
Mrs. McKown.

**Spreading Happiness.**

"I have but one rule that I follow absolutely in this life, and that is to make other people as happy as possible." "Well," she replied, "you ought to be gratified, then, at what I heard a young lady say the other day."

"What was that?" "She said that whenever she saw you dancing she had to laugh."—*Chicago Times-Herald.*
