## A WOMAN'S WORK.

When breakfast things are cleared away

The same old problem's rising  
For she again sits down to think  
Of something appetizing.

The dinner she must soon prepare,

Or give the cook directions,  
And great is the relief she feels  
When she has made selections.

When dinner things are cleared away

The problem that is upper  
Is just the same with one word changed—  
"What can I get for supper?"  
She wants to give them something new,  
And long is meditation,  
Till choice is made, and then begins  
The work of preparation.

When supper things are cleared away

Again her mind is worried,  
For then she thinks of breakfast time,  
When meals are often hurried.  
She ponders o'er it long until  
The question is decided,  
Then bustles 'round till she makes sure  
That everything's provided.

That "woman's work is never done"

Has often been disputed,  
But that she's worried is a fact,  
And cannot be refuted,  
The worry over what to eat  
Is greatest of these questions,  
And glad she'd be if some one else  
Would make the meal suggestions.

During the past six years manager of the Highland Park Hotel, Aiken, S. C.; the Magnolia Hotel, Magnolia, Mass.; the Pine Forest Inn, Summerville, S. C.; and the Preston Hotel, Beach Bluff, Mass.

**SPECIAL NOTICE.**—Unforeseen causes have operated to delay the completion of "The Carolina" beyond the time fixed for its opening, February 1st, 1900, and although it would be possible to occupy part of the Hotel March 1st, 1900, I am advised by Mr. Priest, the manager, that it will be better not to open until next season.

I am aware that this will prove a great disappointment to a large number who had arranged to spend the season at "The Carolina," but the postponement has been unavoidable, notwithstanding the most active effort on the part of the builders.

JAMES W. TUFTS.
