Our Success

In the past has been largely due to the fact that we dont mind a little trouble, if we can please a customer. We cater to a traveling class of tourists, who coming from all parts of the North, bringing Prescriptions from doctors of every school, make it necessary for us to carry a more varied assortment of

Drugs, Chemicals and Proprietary Medicines

than many City Pharmacies, This we do, but if you need an article not stocked by us, we are glad to get it for you, and do so promptly We have especially arranged to give good service in this way, and we dont mind extra trouble,

Everything in Drugs and Druggists Sundries,
We invite you to inspect our stock.
