AT THE HOTELS!

Past Week Gives First Indication that the Season is Waning.

Prominent Among the Many Late Arrivals are Those Attracted by the Enthusiastic Praise of Former Pinehurst Guests.

The past week gave the first indication of a waning season, and witnessed the departure of a number of guests who have been here for the winter. Many, however, came to take the rooms vacated and it is estimated that there are over five hundred more guests in the Village than there were the same time a year ago. This is due to the fact that visitors are coming to appreciate more and more that April is one of the most beautiful months to be here. The weather has been particularly delightful, bright, sunshiny days, with just enough breeze to make the air invigorating.
