How Time Changes.

When he is seven his slaves listen delightfully to his tales of what he will do "when he is a man," at forty, past nor present has "nothing in it," at seventy, he bores his youngers with irrelevant recollections of "when I was a boy"—*Gentlemen's Magazine.*

NO BRUISED THUMBS!

Nail Driving Perplexes Participants and Amuses Onlookers.

Among the jolliest of the many informal frolics which are always a pleasant feature of life at The Carolina, was a nail driving contest held Wednesday evening, and in which some thirty of the fair sex participated.

A large upright plank containing nails just started, was provided so that bruised thumbs were not in order, and one participant took part at a time, each stroke counting, and the fewest number of strokes winning. Some amusing features resulting, the contestants taking all the way from twelve to thirty or more strokes, and several withdrawing because they had bent the nail so that any attempt to put it down was hopeless.

In the first round Mrs. Herbert J. Hall, Marblehead, Mass., Miss Helen Barnett of New Haven, Conn., Miss Fannie Heffelfinger of Minneapolis, Minn., and Miss Caroline Merriam of Weston, Mass., tied for first with twelve each. On the second round Miss Barnett and Miss Merriam dropped out and Mrs. Hall and Miss Heffelfinger tied again. Mrs. Hall won the last trial with nine strokes to her opponents twelve.

The very dainty trophies were presented by Mr. I. B. Johnson of Spuyten Duyvil, N. Y., and Mr. Frank Presbrey, New York.
