Pinehurst is, apparently, a "Yankee" Village, located among the long-leaf, health-giving pines, in the Thermal belt and the driest part of Moore County North Carolina; a section long noted for its healthfulness. It is seventy miles southwest of Raleigh, one hundred and twenty-five miles from the sea coast, and has an altitude of six hundred and fifty feet.

The Village was founded in 1895 by the late James W. Tufts of Boston, Mass., and now consists of nearly fifty family cottages, four modern hotels, several boarding and apartment houses, a public cafe and numerous public buildings. The Village is beautifully laid out, and abounds in shrubs, perennials, sub-tropical and other plants.

The Carolina, completed in 1900, is the largest hotel in the State, and one of the best appointed in the South, an imposing four-story structure, accommodating four hundred guests, modern in every particular, and with appointments calculated to suit the most fastidious tastes. The Holly Inn is roomy, home-like, modern, and accommodates two hundred guests. The Berkshire and The Harvard are two modern hotels, accommodating one hundred guests each and equipped to furnish every comfort at a moderate price.

The Casino, designed for the use of the guests of the Village, is supplied with a ladies' parlor, game, reading and bath rooms, and daily papers and periodicals are kept on file. In connection is a Cafe, supplying excellent New England cooking at a moderate price. The boarding houses are The Lenox, Concord, Magnolia and Pine Grove. The Cedars and several other cottages, provide rooms only, singly and en suite.

The family cottages are cozy, substantially built, well-furnished and provided with modern conveniences, including electric lights, running spring water, and perfect sanitary drainage. Many are heated by steam and provided with bath.

The Pinehurst Golf Links are generally acknowledged by experts to be the finest in the South, embracing two distinct courses, one of eighteen holes and six thousand yards in length, another of nine holes, and a finely appointed and admirably located Club House. The fair green throughout the courses is excellent and the putting greens are perfection. Natural and artificial hazards are found in sufficiency to make the course an exceptionally attractive one. A well-known Scotch professional is in charge of the Links, and available for instruction.

A Shooting Preserve embracing 30,000 acres, nearly 50 square miles, is under control of the Village, and maintained expressly for the use of its guests. Kennels containing thoroughly trained blooded setters and pointers, are run in connection with the Preserve, and trustworthy guides are available. Trap shooting grounds, modern in equipment, are a feature of this department.

There are numerous croquet grounds and tennis courts scattered throughout the Village; a public Bowling Alley and Billiard Hall.

Dairy and Poultry Farms are maintained and which will eventually supply the entire Village with fresh milk and cream, poultry and eggs. A Market Garden provides fresh vegetables.

The Village has a Post and Telegraph Office, private Electric Railroad, Local and Long Distance Telephone System, Electric Light and Power Station, Village Hall, Circulating Library, Private School, Department Store, Meat Market, Steam Laundry, Bakery, Ice-Making Plant, Livery Stable, Photographic Studio, Resident Physicians, and Weekly Paper, THE PINEHURST OUTLOOK.

In fact, Pinehurst is admirably equipped to supply every modern need; offering unequalled attractions for people of refinement at a varying range of prices.

CONSUMPTIVES CANNOT BE ADMITTED.

The Electric Railroad connects with the Seaboard Air Line at Southern Pines, Railroad connection is made from Pinehurst over the Aberdeen & Asheboro Railroad with the Seaboard Air Line at Aberdeen, and the Southern Railway at High Point. Pinehurst is eighteen hours ride from New York, and through Pullmans run during the season from Washington direct to the Village, over both Railway Lines.
