

THE MATCH PLAY ROUNDS

Full Story of Keen Play in Evenly Matched Field Told by Summary.

Numerous Extra Hole Contests Show that Victory was Well Earned, the Triumph of Steady Play.

SERIES of close matches, many of which it took extra holes to decide, characterized the match play rounds of the Advertising tournament.

An evenly matched field kept interest keen and the results of the final rounds, Wednesday, were awaited eagerly by a crowd which taxed the Country Club House to its capacity.

There were no walkovers, and each trophy represents well earned victory and the triumph of steady play. Not only were there prizes for the winners in each division, but for the division runners-up and winners of the consolation divisions as well.
