BERKSHIRE TRIMS CAROLINA

Wednesday's Baseball Game Unanimously Declared Season's Best.

Arrival of Star Players Makes Local League of Five Teams Possible—Notes of Busy Week.

PRETTIEST game of the season," was the unanimous opinion of the big crowd concerning Wednesday afternoon's baseball game, in which The Berkshire trimmed The Carolinas 3 to 1 in a contest well nigh errorless, and which promises baseball of a character which will hold the attention of the entire Village in the series of games to come. Of brilliant features there were many, among them being Lewis' brace of two-baggers, Morris' splendid catches and the work of both batteries, with good hitting and snappy fielding by both sides.

The Carolinas broke the ice in the fourth inning, Smith gaining first on a walk with one man out, moving to second on a passed ball, reaching third on Norris' sacrifice, and scoring on Sumner's wild throw; DeRohn and Finnegan going out in turn. The Berkshire started their half rather badly but Heisman, who had been presented to first, and stolen second, made home on Kelly's muff of Walsh's fly, Gorman ending it with a grounder.

In the first half of the fifth inning The Berkshire crowd retired to The Carolinas in short order, adding two runs in the eleventh hour through Lewis' two-bagger, Fitzgerald's hit over second base, and a bad throw, letting Lewis across the plate. Gleason fumbled Eastman's hit, scoring Fitzgerald; Eastman ending the inning in an attempt to make third.

Carolina hopes ran high in the seventh inning, two men being landed on the bases with Norris' hit and Kelly's walk, but Morris gathered in Edson's pop fly and the tension was over. The Berkshires landed a two-bagger at their turn at the bat with two men out, and Fitzgerald walked to first, but Bailey gathered in Eastman's liner.

The Carolinas made a good try for a score in the eighth but failed to land, Gleason gaining first on balls with two men out, Smith making first on a single, Norris forcing Gleason out at third; one, two, three, ending it in the ninth.

VILLAGE NINE AND TWO.

Saturday's game between the Village and Carolina teams, was more or less of a walkover for the Village and somewhat of a surprise to Carolina supporters,

"FOX HUNTERS ARE BUSY"—FEEDING THE PACK.

the town aggregation winning 9 and 2, rather easily.

There was, however, plenty to keep the big crowd occupied with the kind of hitting that made all sit up and take notice, Morris, Eastman, Sumner, Heisman and Norris finding the ball with a regularity that made the pitchers look weary.

The Village team did not wait for preliminaries, landing four runs at their first try at the bat on a hot liner by Morris, a base on balls for Lewis, Fitzgerald's Texas leaguer; Eastman's single scoring Morris, a wild throw to third scoring Lewis and Fitzgerald and Eastman coming home on a wild throw to first, Sumner making first on the error, but Walsh and Heisman leaving him waiting by striking out. It was one,

two, three for The Carolinas.

The second was easy honors for both sides, but things looked hopeful for The Carolinas in the third, two men getting past first, and Norris being caught between second and home. The fourth was "take your turn" for both teams; the fifth and three runs for the Village, making it look like a sure win. Morris and Lewis got first on a hit and a cleverly placed bunt, a wild throw past third letting Morris in. "Fitzzy" put one to Finnegan, Eastman and Sumner singled, scoring Eastman and Lewis, Walsh went to first "crippled", advancing on Heisman's single; Sumner being caught at the plate in an attempt to score. Gale got his base on balls, but O'Connor's foul was easy. At their turn The Caro-

SAYLES AND WORTHINGTON

They Win Tie Play-off in Best Ball Match Play Against Bogey.

Fourteen Out of Eighteen Couples Find Doughty Colonel Invincible—Close Scores.

COLONEL Bogey kept the Tin Whistles busy in Monday's best ball four-some match play contest against him, only four couples out of eighteen being able to win out.

Keen play, however, ruled throughout, a tie play-off for first place resulting between Charles Sayles of Brooklyn, whose allowance was 34, and C. C. Worthington of New York, whose handicap was 8; Col. J. E. Smith of Wilmington (6), and G. F. Brown of Philadelphia (13), at three up each. In the play-off Messrs. Sayles and Worthington won by three up to two up for their opponents. The prizes were gold and silver medals.

Second in line came J. E. Porter (2), and E. E. Rinehart, Jr., (7); W. C. Johnson of New York (7), and C. T. Crocker, Jr., of Fitchburg (2), who finished two down.

There was a quadruple tie for third position at one down, with the balance of the field well bunched, eight down marking the limit.
