BASEBALL HOLDS THE CROWD

TUESDAY'S baseball game attracted the biggest crowd of the season and it was nip and tuck for the first five innings, in the last of which the Village tied the score. The first half of the six, however, was a Waterloo for The Carolina, five runs being scored, and a lead gained which it was impossible to overcome although the losers made a good try in the last inning.

Eastman and "Stogie" Lynch did the twirling during the first part of the game, Billideau finishing out the game for the Village owing to an injury to Lynch and Norris carried off the batting honors with the first home run ever made on the local diamond.

The innings in which interest centered were the fifth in which the Village tied the score, and the sixth which decided the game in favor of The Carolinas. In the former inning Mike Lynch opened up for the losers with a two bagger, Madden scoring him on a hit to left. Fitzgerald cracked out his "usual one" stole second and scored on Gladu's hit who was later out at second.

The sixth inning opened with a pass for Dickenson, Finnegan following with a hit and Norris' home run pushing three tallies across the plate; Eastman and Morris making the two remaining runs.

PISTOL CLUB ORGANIZES.

Officers Elected and Series of Weekly Handicaps Inaugurated.

At a meeting held at The Carolina, Thursday evening, The Pinehurst Pistol Club organized for the season with the choice of the following committee: President, J. Cushing Todd; Secretary, Dr. C. Kingsley Field; Treasurer, Mrs. H. V. Wurdeman; Range Officer, S. Bruce Elwell; Mrs. D. K. Stukie, Samuel Edelman and Herbert L. Jillson.

It was voted to hold handicap shoots every Friday afternoon beginning at 2:30 p. m., until further notice, these events to be open to all. The entrance fee will be fifty cents and the amount thus secured will be used for the purchase of trophies by the committee. One cup will be offered weekly for the best net score, and two for the two best net scores, when the field is sufficiently large to warrant it. During the first few shoots a few target medals will be awarded for the best gross scores. All events will be fifty shots at twenty yards, ten shots at five different targets which will be issued by the committee and must be signed by the range officer to become "tournament" targets.

All shoots will be in charge of the range officer and his rulings and orders must be obeyed. Any protests must be referred to the Committee, in writing, to receive consideration. Any carelessness will result in disqualification. Absolute quiet will be insisted on during tournaments. Contestants will not be allowed to examine their targets on the butts, but must wait until they are all brought back by the range officer. All entrances must be sent to some member of the committee on or before Thursday at nine o'clock p. m., each week.

Handicaps for the first shoot of the series which is in progress as THE OUTLOOK goes to press, are as follows:

Mr. Edelman	0
Mrs. Wurdeman	25
Mr. Rigby	50
Mr. Redfield	50
