

THE HOLLY INN

PINEHURST, N. C.

The Holly Inn is one of the most attractive hotels in the South. Since it was built in 1895, it has been necessary to enlarge it several times to meet the constantly increasing demand. The interior is elegant, cheerful and tasteful. No modern convenience is lacking. There are bath rooms, electric lights, steam heat and open fireplaces. There is a call bell in every room, and all beds are furnished with best hair mattresses. An orchestra furnishes fine concerts daily, and also provides for dancing. The cuisine is unsurpassed. The waitresses are all white girls from the North. Rooms for billiards and other games are provided in the hotel.
