

## The Gorham Co. Silversmiths

IN the finer grades of Sterling Silverware there is but one standard—that which has been established by The Gorham Company. Gorham Silverware exemplifies a certain elegance of design and quality which has never been equalled by any other maker, while the prices are no greater than those of far less meritorious wares.

This Trade-mark identifies every piece of Gorham Silverware, which may be procured from responsible jewelers everywhere.

### Rhapsody.

(With interruptions)

Bring forth my noble airship, staunch and true!  
As pants the captive eagle for the blue,  
So does my spirit long to soar above  
("You Bill! just give that off-hind-wheel a shove;  
She's jamming there.")

this muddy ball of earth,  
And prove its native and aerial birth.  
Hail to the day!  
("Look out! Don't wreck the shed.  
That wing's got stuck.")

The youthful Dawn hath spread  
A roseate blush upon the hill's fresh brow,  
Mount, and away!  
("Hold on, go easy, now.  
Don't press that forward lever!")

Pure and free,  
The light breeze blows, and on the azure sea  
Of circumambient air  
("Don't bust that tire!")

I float, and to th' uncharted heights aspire;  
A very god of this ethereal sphere—  
("Let go that guy rope, Murphy. Hi! Stand clear.  
You'll smash that rod.")

Child of the whirling suns!  
Lord of the wind-swept sky!  
("That derrick runs  
Too fast by half.")

Not mine to quail, nor blench,  
Though envious lightnings  
("Where's that monkey-wrench?")

Blaze round my path, and Jove's loud thunders roll  
To daunt my daring ("Mind that telegraph pole!")

The storm deriding albatross is not  
So bold—  
("There goes a blessed chimney-pot!")

Far, far beyond the lark's cloud-piercing song  
("Darn that motor! Something's going wrong.")

Circle and swoop,  
("The Dickens! what a knock!  
That's the First Presbyterian weather-cock.")  
Swift as a hawk;  
("The balky packing-case!")

Or like the car of speeding Phoebus race.  
Beneath, the vales and pigmy mountains seem  
Phantasmagorical as a passing dream;

The breadth of ocean but a blur of gray—  
("Great Zeppelin! Here comes a load of hay.  
Turn out, you grinning jay-bird!")

Biff! Bang! Zip!  
(So en is ye rhapsody, and eke ye shippe.)  
—Lippincotts.

### A Puzzle.

The high school girls with their glossy curls  
And cheeks of dainty pink,  
As they mince along in a laughing throng  
Look mighty nice, I think.

But I'd like to know how cheeks can glow  
Like rosebuds in a bunch  
On the daily fare of the stale eclair  
Or a macaroon for lunch.
