REPEATING RIFLE

We are just as proud of the REMINGTON .22 Repeaters as we are of the Remington Big Game high power rifles—for just as good reasons. No other make of the .22 class is built to as high a standard.

The features that place the REMINGTON .22 in a class by itself are the real big REMINGTON features—Hammerless and Solid Breech. You clean the barrel from the breech—not forcing the dirt back into the working parts as in other .22's, insuring life-time usefulness and maintaining constant shooting condition.

There is perhaps a greater difference between the REMINGTON and other .22 Repeaters than is to be found between rifles of any other class.

A REAL RIFLE—the REMINGTON .22 Repeater. Shoots without adjustment. .22 short, .22 long or .22 long rifle cartridges.

Set of Targets Mailed Free.

THE ANNUAL HOMECOMING

Carolina's Welcome a Benediction to All Gathered Under its Roof

Tonight's Housewarming Hop Will Inaugurate More Formal Social Affairs

WITH half a hundred guests already gathered at The Carolina this morning's opening is literally "formal" but none the less an event which causes pleasure not only to the one hundred and fifty guests gathered there, but the entire Village.

Tonight's housewarming hop inaugurates the winter's more social activities and the coming week will set midseason in full swing with few open dates upon the calendar until late April. It is pleasant to anticipate the days which lie before, holding as they do much in trust for all.

here you have it in a single word; the whole story of contentment, luxury and comfort of this splendid hotel. To enlarge is but to dwell upon a charm as famous as the Village itself, for there is but one Carolina and one Pinehurst; both dear friends to the thousands who return rejoicing year after year. In every face you see it, in every heart it dwells, at this the annual homecoming; a benediction to all assembled under its hospitable roof.
