

THE BEST AID TO A HIGH SCORE THE SMITH & WESSON

Single Shot Target Pistol

The S. & W. target pistol with automatic shell ejector, rebounding lock, and adjustable target sights, is the final triumph in the production of a thoroughly accurate target pistol. Its recommendation by the committee, and its wide use by experts are significant testimony to its high-score efficiency. The .22 long rifle cartridge gives the best results with this arm, but it is also bored for the regular S. & W. .32—10—88 and .35—16—146.

This monogram appears on all genuine Smith & Wessons.

I Have Got A Putter

(TO W. J. T.)

Arcadian's Mutter Song

What's the news we're hearing now,
Telling of Putters and just how
They must be made or raise a row,
Way out at St. Andrews?

Chorus:

I've got a putter, 'tis my heart's delight.
Who shall say how goes the shaft?
Who shall say it, he must be daft.
It all depends on how you're up to hand one,
For every putter of every kind
Just depends on the man behind
For a strong putt and a grand one.

What's the difference if shafts shall go
Through the middle or heel or toe?
Golf's the game as our putts will show,
With greetings to St. Andrews.

By a sportsman mine was made,
Squarest man who ever played,
From true sport he's never strayed,
No! not by St. Andrews.

Scots who hae St. Andrews bred,
Putter not o'er the putter's head,
Broaden out the game instead
Cheer up at St. Andrews.

Cheer up, golfers, every where,
Golf's the game we play for.
Putt them straight and the Devil may care,
So here's to you St. Andrews.

—A. S. H. in *American Golfer*.
