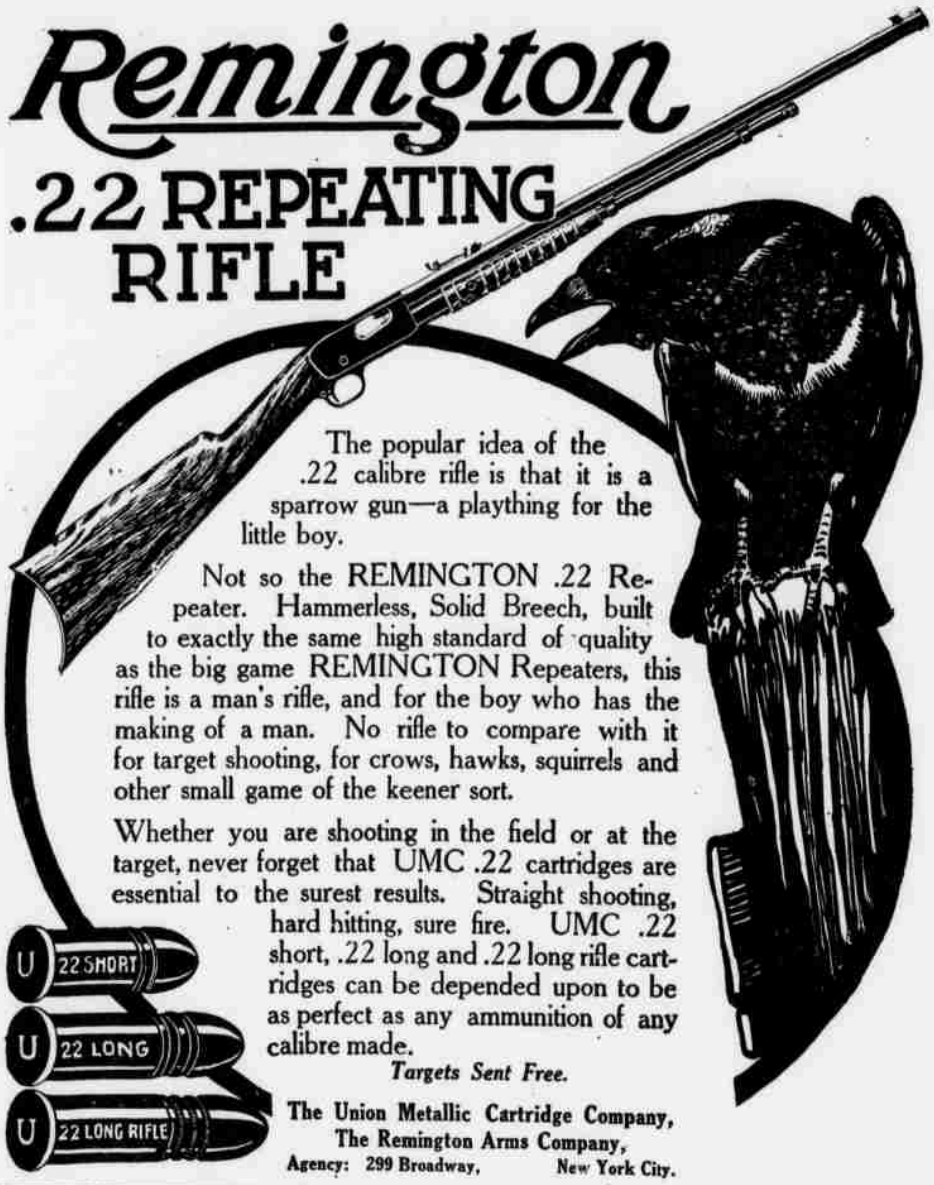
## .22 REPEATING RIFLE



The popular idea of the .22 calibre rifle is that it is a sparrow gun—a plaything for the little boy.

Not so the REMINGTON .22 Repeater. Hammerless, Solid Breech, built to exactly the same high standard of quality as the big game REMINGTON Repeaters, this rifle is a man's rifle, and for the boy who has the making of a man. No rifle to compare with it for target shooting, for crows, hawks, squirrels and other small game of the keener sort.

Whether you are shooting in the field or at the target, never forget that UMC .22 cartridges are essential to the surest results. Straight shooting, hard hitting, sure fire. UMC .22 short, .22 long and .22 long rifle cartridges can be depended upon to be as perfect as any ammunition of any calibre made.

### Many Enjoy Quail Shooting

The quail hunters are making the most of closing days of the shooting season, among the most successful Mr. E. G. Chandlee of Philadelphia, whose dogs have averaged a dozen daily with a few woodcock, doves, and rabbits.

Irving S. Robeson of Rochester, forsakes the golf links now and then for a day's shooting and Charles Riordon of Boston and R. G. Jones of Toronto, are often in the covers.

J. D. Foot of Rye and J. V. Hall of Pittsburg, are among those who bring their own dogs.

Brilliant play by Travis and Ross soon became the feature of the contest, a seventy one and a seventy-two resulting. The cards:
