It was decided to have an open air fete in place of the Bazar next year and to hold monthly meetings which will also be social in their character. The gift of \$300.00 by Mrs. M. S. Jones, to be devoted to charitable work under the direction of the Club, was also announced.

Following the meeting which was held at The Carolina, the members were entertained at afternoon tea by Mrs. H. W. Priest.

# WINCHESTER

## Rifle and Pistol Cartridges

In forty odd years of gun making the Winchester company has discovered many fine points about ammunition that could be learned in no other way. That is one reason why Winchester cartridges excel. Another is because they are made in a complete plant by a modern system of manufacture, under the supervision of experts. No matter what rifle or pistol you shoot, there is a Winchester cartridge made for it. For your own protection, don't simply ask for cartridges when you buy. Be specific and insist upon having Winchester make.

## Eternal Sunshine Alone Cannot Engender Health.

The soft breezes and warm, bright sunshine of the South have a soothing and beneficent effect on the tired system. But the internal needs of the body must not be forgotten in the quest of health. Good, wholesome nutrients must be employed in the building up of the body-structure.

The House of Health that is built on

## SHREDDED WHEAT BISCUIT

is like the proverbial house built upon the rocks of *Strength* and *Permanence*. When the stomach is in delicate condition, it will take up and easily assimilate Shredded Whole Wheat which contains the whole wheat grain, cleaned with scrupulous care, drawn into slender, porous shreds by delicate machinery and baked in hygienic ovens to just the degree consistent to perfect digestion.

## Shredded Whole Wheat is Concentrated Life

Two Shredded Wheat Biscuits with milk or cream and a little fruit will supply all the energy needed for a half day's work at a cost of five or six cents. Try it for ten mornings and you will feel brighter, stronger and happier. Your GROCER sells it.
