An American Triumph

Few persons realize that America—as represented by the greatest of the world's silversmiths, The Gorham Co.—is producing to day articles for household and table use in sterling silver that have all the fire and spirit of the best examples of the past.

Gorham Silverware

is now nearly a hundred years old. It has accumulated a fund of experience and tradition. The famous Gorham trade mark

is recognized all over the world. It means workmanship that excludes the slightest flaw. It guarantees substantial weight. Insist upon this mark when you purchase silver.

All the best jewelers carry Gorham Silverware in stock. No others are permitted to handle it.

TWO HUNDRED AND FIVE CARDS

"Vanished Hopes" Few in Spring Tourney Qualification

EIGHTY-THREE and the narrow margin of a single stroke won the qualification gold medal for Charton L. Becker of Woodland, in the Spring golf tournament; the best score of the two hundred and five cards returned by the field of two hundred and forty-one entries. No wonder the Woodland player lost his first match! A pair of forty-twos landed George H. Crocker of Brookline, in second place at eighty-four, with Irving S. Robeson of Oak Hill and S. D. Wyatt of Fon du Lac, tied for third at eighty-five; the balance of the field cutting the line in one, two, three order. Ninety-one marked the limit of admission.
