

THE finest, the most unique, and the best located all-the-year resort hotel in the world is being built in Asheville, N. C. It will be opened July 1st, 1913, under the management of Wm. S. Kenney, of The Mount Washington, Bretton Woods, N. H., and Hotel Clarendon, Seabreeze, Florida.

It is being built of the great boulders of Sunset Mountain at whose foot it sits. It is being built by hand in the old fashioned way, ABSOLUTELY FIREPROOF, and will be full of rest, comfort and wholesomeness.

It is being built plainly, but as richly as man can do it. Four hundred one-piece rugs are being made at Aubusson, France; the furniture is being made by hand by the Roycrofters; the silver hand-hammered; and the "big room" will contain two great stone fire-places, capable of burning twelve-foot logs.

In front of this hotel, GROVE PARK INN, are one hundred and sixty acres of golf links and lawn, and all around, miles of majestic mountains and the wonderful climate. The Hotel Company owns eight hundred acres around the hotel and consumptives will not be taken.

For particulars address Wm. S. Kenney, Mgr., Grove Park Inn, Asheville, N. C. Southern Office until April 20th, Hotel Clarendon, Seabreeze, Florida. New York Office, 1180 Broadway.
