

TOWNSEND'S TRIPLEX

(PATENT PENDING)

The Greatest Grass-cutter on Earth Cuts a Swath 86 Inches Wide

Drawn by one horse and operated by one man, the TRIPLEX will mow more lawn in a day than the best motor mower ever made, and cut it better at a fraction of the cost.

Drawn by one horse and operated by one man, it will mow more lawn in a day than any three horse-drawn mowers with three horses and three men. Does not smash the grass to earth and plaster it in the mud in Springtime, nor crush out its life between hot rollers and hard, hot ground in Summer as does the motor mower.

Write for Catalogue illustrating all types of Lawn Mowers including Townsend's GOLF WONDER for putting greens. (Free).

C. B. FOWNES ON TOP

Makes the Best Score for Selected 14 Holes in Tin Whistle Event

Monday last, the 20th of March, Mr. W. S. L. Hawkins, Mr. W. L. Hurd and Mr. M. B. Johnson contributed to the joy of the Tin Whistle Club three prizes, to be awarded in a handicap tournament, the best selected 14 holes.

And so it came to pass that sixty strong the famous golf brigade essayed the treacherous course in three classes. And leading all the rest in the competition came C. B. Fownes of the Oakmont Club, his net score for the fourteen holes of his selection being 53. C. L. Becker, many times leader of the Tin Whistles on the war path, was a close second with 54. Fownes' score for the 18 holes, an eighty-one, was equalled only by C. M. Ransom of Buffalo and W. H. Faust of Westfield.

J. L. Weller of St. Catherines and T. R. Palmer of Erie tied for first honors in the second class, their net score for the best 14 holes being 55 apiece. Class C also resulted in a spirited contest and an even finish, the honor being divided between E. D. McCabe of Brooklyn and O. A. Blackburn of Oakmont, with 57.

The totals tell the story, giving each man's score for the full eighteen holes and his net score for the best 14:

FIELD DAY

School Boys Hold Meet for the Athletic Championship

The boys of the Pinehurst School held a field day of track events on Tuesday last to establish the all round athletic championship of the school. There were five events, a forty yards dash, a quarter mile run, running and standing broad jumps and a potato race.

The preliminaries in the various events were contested by a good sized field, including Oliver Redfield, Malcolm Ormsbee, Joe Jeffrey, Ernest Haywood, the Hunter boys, Jimmy Tufts, the Denham boys and Henry Van Cleef. Redfield, Hunter, Haywood, Athel Denham and Jeffries qualified for the finals in the forty yard dash, the event being won by Redfield in excellent time. Redfield also took the longer run from Hunter and Denham, thus establishing his supremacy on the track. When it came to the field events however he was not so strong. Denham won both of the jumps and the potato race was won by Haywood. The tie for the championship between Redfield and Denham was fought out two days later, the silver cup finally landing in Denham's possession.

Pinehurst School Camp

Mr. Eric Parson, whose first year of the Pinehurst school has been a signal success and a great satisfaction to the parents of the neighborhood, is opening a Summer camp for boys in the heart of the Adirondack mountains on Big Fish Pond, in the Saranac region a few miles from Placid.

A better opportunity for wholesome life in the open during the Summer time cannot be found. Assisting in the supervision will be Mr. H. H. Blagden, who is a well known Government naturalist, and a big game hunter and woodsman of wide experience and training; the leader of many expeditions into the wilds of British Columbia, and explorations in various parts of the world. He is a graduate of Harvard, and understands the ways of boys quite as well as the ways of the woods.

There will be every possible opportunity for fishing and long trips in canoes, and the adventure of the North Woods so dear to the heart of Young America. Nature study, woods craft, and camp life under the care of experienced guides are the main basis of the enterprise. The camp opens July 1st and runs to the first of September, and is for boys over ten years old.
