Good Times ahead for Golf Game

Golf, spelled in capital letters, will flourish in America from now on beyond the thoughts and dreams of even the most optimistic. The war has drawn into active work thousands and thousands of men and women who never believed that they could work so hard; the Red Cross efforts, the various war relief activities, numerous in variety and scope, have been the means of dragging from their accustomed shells hundreds of thousands of men and women who hitherto have been well content to stay at home and read the society or local news with never a dream that they were able to do some useful bit.

Now that the great needs are over I do not for a moment think that these good people will be content to go back into their non-active existence. They will want a medium for their revived spirits. Nowhere will they find such an opportunity as on the links and at the club.

We will have need for more relief matches next season, I have no doubt, and the experience of the new members will also be of service. I look for an increase all over the land of forty to fifty thousand new players. I am glad to see that the figures given out nowadays concerning the number of players which we have in this country are on the reasonable side. The guesses about the millions of golfers in this country have been no longer set before the public. As a matter of fact, there are about two million or so golfers in the whole world, and as another matter of record we would estimate the number of golfers in the United States ten years from now as being easily 800,000 to 850,000 and in another span of twenty years there will be in this country almost one-half the golfers in the world.
John G. Anderson.

THE DOG SHOW RECEIVES VERY LIBERAL SUPPORT

It is surprising the amount of interest and enthusiasm the coming Dog Show, to be held at the race track on April 2 and 3, has aroused. Every mail brings to the Secretary assurances of additional entries of famous dogs. The latest news is that a well known team of English bulldogs is on its way to America, and that they will be shown for the first time in this country at the Pinehurst show.

Another very encouraging feature and one for which the show committee is particularly grateful is the number and beauty of the Sterling Trophies that have been donated for competition. Over \$1,500 in cash prizes and over \$1,000 worth of Sterling Trophies are listed in the Premium List and make it worth while for anyone to enter their dogs at our show.

Among those who have donated Trophies are:

Mr. Leonard Tufts, Miss Esther Tufts, Mr. M. B. Johnson, Mrs. James Barber, Mr. Henry S. Houston, Mr. H. B. Swoope, Mrs. Julia A. Spring, Mrs. H. H. Johnson, Mrs. Leonor C. Brown, Mrs. Warren Bicknell, Mr. P. B. O'Brien, Mr. W. B. Chapman, Mr. Frederic Bruce, Mrs. J. G. Splane, Mrs. W. L. Hurd, Mrs. N. S.

Hurd, Mr. Richard C. Shannon, (2d) Mrs. Francis Keating, Mr. Donald Ross, Mr. S. B. Chapin, Mr. Norwood Johnston, Mr. G. M. Howard, Mr. George A. Dixon, Jr., Mr. Ford Ballentine, Mrs. E. C. Bliss, Mr. Frank Butler, Mr. B. C. Covert, Mr. Elliott Ronney, Mr. John Harriman, Mr. Dickinson Bishop, Mrs. Stuyvesant Peabody, Mrs. O. C. Hoyt, Mrs. P. C. Thomas, Mr. Frederick Watson, Mrs. Wyman Carroll, Jr., Mr. G. L. Wilson, Miss Jean Hinkle, Miss Claudia Phelps.

The Premium Lists and entry blanks will be ready on Monday and the committee is anxious to have as many local dogs as possible entered in the show. There are special classes for local entrants, and liberal prizes for them. If you have a dog or know of some one who has won't you consider this a personal request to see that the dog is entered?

Anyone wishing further information about the show or assistance in filling out entry blanks can find the Secretary, Mr. Rost, at the General Office any morning between 10 and 11 o'clock and he will be glad to be of service.

THE 39th DRILLS at BALLINTOY

The 39th Company, N. C. R. M., assembled at Ballintoy, Captain George H. Maurice's plantation, on Tuesday, a half hundred strong. Close Order and Skirmish Drill was the order of the day, during the forenoon. After mess, the Company repaired to the rifle range and did some tall shooting at 200 yards slow fire. Twelve men made 20 or better, out of a possible 25. Privates Blackman and S. C. Fry each had a 24 chalked up to their credit. Col. Hamilton, just back from France, reviewed the Company at Retreat and said a number of very flattering things about the local organization.
