THE Greenbrier

WHITE SULPHUR SPRINGS

West Virginia

The fame of White Sulphur Springs was based originally on its wonderful medicinal baths. But today distinction as a golf center is added to its fame as a Spa.

The 18-hole championship course of 6250 yards lies in a valley flanked by beautiful mountains. The splendid 9-hole course is attractive to those who are less ambitious.

Perfect golf and just the right baths as given at the Greenbrier, constitute the greatest "rest" in the world. The magnificent and thoroughly equipped bath establishment is under the professional direction of The White Sulphur Springs Medical Institute.

Three New Golf Balls

—a triple success. The perfection of these balls crowns a long period of intensive experimental work just completed by specialists of the United States Rubber Co.

U. S. Royal U. S. Floater U. S. Revere

are their names. They are products of the latest and most exclusive improvements in golf ball manufacturing. They offer enough variety in size, weight and price to satisfy every golfer. Many leading players have already endorsed these balls in terms of unqualified approval.

Made by the oldest and Largest Rubber Manufacturer in the World

It is fitting that the world's oldest and largest manufacturer of rubber goods should sponsor the development and marketing of U. S. Royal, U. S. Revere and U. S. Floater Golf Balls. They are distinguished additions to the game of golf.

The thoroughness of United States Rubber Company methods, which include the production of the crude rubber, itself, insures 100 per cent of adherence to the standards laid down by the designers of these balls.
