

## Trophies Medals Loving Cups

**Gorham  
Quality**

express reward to the victor—record events of importance—convey friendly appreciation—the importance of an event—and the regard of business associates or social friends.

**Gorham  
Designs**

Gorham Quality and Gorham Designs denote just the sentiment—the occasion—the purpose which trophy, medal, or loving cup commemorates.

## “WESTERN” Steel-Locked Shells

Always the Choice of the Man  
who Knows

The sensational performances of “Western Field” Shells at the traps have opened the eyes of thousands of shooters who never shot at a target thrown from a trap. And the same exceptional shooting qualities which placed them at the head in trapshooting are making a big hit with the man who hunts. Besides the higher velocity and closer pattern, which makes longer kills possible, “Western” Shells never “hang up” in magazine guns the Steel-Locked construction and the hard, tight crimp being responsible for a smoothness of action and reliability in function that is impossible in shells having weak heads and mushy crimps. And in wettest wether “Western” Shells will continue to work well for, to begin with they contain paper made from a special and superior pulp, added to which is a water-proofing material which, for effectiveness, has never been equalled by any other manufacturer in the world. Sold by progressive dealers in all gauges and in all popular loads, in smokeless and black. “Field” and “Record” loaded with all Standard Smokeless Powders. “Perfect from Primer to Crimp.”

WESTERN CARTRIDGE CO., EAST ALTON, ILL.

(Continued from Page Three)

Irish Horse, but preferred flying with the Royal Corps than on his own pegasus. As early as 1911 he was flying with the famous Bleriot and at the outbreak of the war was entered to race in the Daily Mail Circuit of Britain. He flew to France instead, and returned to England wounded, in November 1914. On leaving the hospital he was appointed Commandant of the Royal Flying Corps School of Instruction, at Hendon, near London and in March 1917 came to this country in connection with the British Mission appointed to aid in the development of aircraft in the United States.

### ALGARDI SMASHES RECORD

The fine weather which the Pinehurst Jockey Club has been favored with during the season was interrupted at the regular weekly matinee last Wednesday afternoon. Threatening clouds and drizzling rain had their effect, but a fair size crowd was in attendance and saw some good sport. Although the track was rough and heavy there were only four scratches on the whole card. The feature event of the afternoon was the one mile flat race which was really a contest between two horses. Algardi and Melos. The two other entries, Rosewater and Wasseon were out of the race from the beginning. Wright, up on Melos, lost no time in pushing to the rail position, but after a furlong of fast going Algardi was running even with Melos and a few more jumps found the bay gelding in the lead. From then on it was a heart breaking grind for both runners, neither one conceding an inch, but the home stretch found Melos ready with a challenge and Algardi answered with an energetic spurt which brought him home a length in the lead. Algardi hung up a new record for the track, running the mile in 1.45, which was a remarkable performance considering the heavy going.

Mildred Eureka scored a clean victory in the six furlong flat race against a field of four runners, Puck being scratched, and won from His Nibbs by two lengths. Wright, upon Mildred Eureka, was in the lead all the way and had no trouble in winning. After his strenuous efforts in the five one-half furlong event. His Nibbs did not have the pep to force the issue, but won the place quite handily from George Roach. It was a memorable day for His Nibbs. After running his head off in two flat events he decided that a little jumping would do him good. Disturber, with Call up, took up the challenge and the steeplechase was on. Disturber took the lead immediately and only once did His Nibbs even things up. Every inch of the way he held on gamely and in spite of his determined efforts on the P. C. Thomas's blue ribbon winner fresh from his victories at the Camp Bragg Horse Show, where he carried off two firsts in the jumping class, was ridden money going to Princess Ingomar.

The match race between Mr. J. C. Thomas and Hr. Herbert Cameron developed the closest riding of the day. These two equestrians were out to uphold the honors of their stables and it was a race for blood. Firebrand, Mrs. P. C. Thomas's blue ribbon winner fresh from his victories at the Camp Bragg Horse Show, where he carried off two firsts in the jumping class, was ridden money going to Princess Ingomar.
