Which Do You Use?

THE only question is one of choice; you can buy any one of them loaded with Infallible or "E. C."

Any one of these fourteen standard brands of shells is the best to the man who is accustomed to use it—when it is loaded with a Hercules Smokeless Shotgun Powder.

Pick your favorite—loaded with Infallible or "E. C."—and you will have a combination that is hard to equal at the traps or in the field.
