

Country Homes and Orchard Property

I have a limited amount of orchard and country property for sale to people who will make desirable neighbors in the immediate vicinity of Pinehurst. Also bearing orchards and orchard lands in other sections of the Sandhills, including several orchards which have a past record of cash profits over a period of years exceeding 33 per cent a year. It is my business to demonstrate and promote the peach industry in this section, and I will take pleasure in showing the plants and explaining the business to anyone interested, whether they contemplate investment or not. Write, call or phone, RALPH W. PAGE, PINEHURST, N. C.

(Continued from Page 4)

the sensational duel was on. On the second frame Wright missed one. Dr. Aber picked off his allotted ten. And the score was even, 354 to 354. The third frame was shot and both guns broke ten. The fourth frame was shot and both guns broke ten. The match was to be decided on the last frame, mayhap the last target.

Of the last frame Wright dropped one and Dr. Aber took all ten, thus snatching the victory by a single bird in one of the closest matches we have on record.

The East out-shot the West with a remarkable close margin of 2 targets out of a total of 4,000 shot at.

The victorious Eastern team comprised Dr. A. H. Aber, Pennsylvania, 384; Frank S. Wright, New York, 383; C. D. Coburn, Ohio, 382; Paul Earle, South Carolina, 381; Jay Clarke, Jr., Massachusetts, 380. Total, 1,910.

The West: Frank Troeh, Washington, 383; Harvey Dixon, Missouri, 383; P. S. O'Brien, Montana, 382; William Wettleaf, Iowa, 380; C. D. Eaton, Missouri, 380. Total, 1,908.

The above ten were the high guns of the 400 event. Five men tied as high guns in the day's final 50, each of them breaking all of them. The five with perfect scores were Dr. Aber, Woolfolk Henderson of Kentucky, Kip Elbert of Iowa, E. C. Buchan of Wisconsin, and Charles A. Botner of Ohio.

The Consolation

The tournament ended Saturday with a Consolation handicap and with the best weather of the week and that after a good many of the shooters had gone home. A. E. Conley of Coshoc-ton, N. Y., won this at twenty yards by tumbling 97 clays.

Wright, Troeh, Clark, Dixon, Well-leaf, Coburn and Eaton found their handicaps too much for them in the consolation and the best score made by this crack array was a ninety-one by Clark. Wright and Troeh shot from twenty-three yards. F. U. Rosebury, Maryland, twenty yards, and George Hunt, Boston, nineteen yards tied for second money in the consolation with 96, the best averages in the different classes for the 400 registered target shooting of the week were made by Dr. A. H. Aber, Pennsylvania, in class A; A. M. McRae, Missouri, in class B; W. Edger, Ohio, in class C; and W. E. Hurlock, Maryland, in class D. Ninety-six breaks in the mid-winter paid \$371.65, ninety-five paid \$313, ninety-four \$185.60, ninety-three \$78.25, ninety-two \$78.25, ninety-one \$52.15, and ninety, \$9.20.

GOLFERS Tennis and Base Ball Players use ALLEN'S FOOT-EASE

The Antiseptic Powder to shake into the shoes because it takes the friction from the shoe, freshens the feet and makes walking a delight.

Shake Allen's Foot-Ease into your shoes before going on the links and notice the difference in your comfort, which often affects your score.

The Government supplied 1,500,000 lbs. of Powder for the Feet to the troops during the war. Be sure to get the genuine Allen's Foot-Ease. At dealers everywhere. Sample Free by mail. Address
