

Country Homes and Orchard Property

I have a limited amount of orchard and country property for sale to people who will make desirable neighbors in the immediate vicinity of Pinehurst. Also bearing orchards and orchard lands in other sections of the Sandhills, including several orchards which have a past record of cash profits over a period of years exceeding 33 per cent a year. It is my business to demonstrate and promote the peach industry in this section, and I will take pleasure in showing the plants and explaining the business to anyone interested, whether they contemplate investment or not.
